*Passing It On* Myles Munroe, 2011-05-25 Leaders everywhere in arenas big and small struggle with the desire and frankly the need to make sure their vision for the organization they have created or grown continues regardless of circumstances. And the question what will be my legacy is a question all people ask themselves. Myles Munroe has observed that the tendency among leaders is to deal with this question as serious circumstances or retirement loom. Further, it is his belief that this is one of the most important decisions a leader will ever make. This book is a wakeup call. Myles Munroe wants all leaders to focus on building the right team for the future and to make it a top priority because the process is not a quick one. Properly mentoring the right people to ensure the continuation of an organization is actually a process that must be woven into that organization over a span of years or even decades. Chapter topics discussed include The Chaos of Transition, The Leadership Dilemma, Living Beyond Your Generation, The Principles of Mentoring. **PASSING IT ON** shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within leaders who are in line with the goals of the organization, leaders who are most likely to adopt and carry a vision forward.

**Seek Ye First the Kingdom of God** Dr. Julia Floyd Jones, 2014-01-27 This workbook will help you explore covenants, betrayal, deception, blessings, healing, inheritance, forgiveness, and much more.

**The Powerful Kingdom - Book 2 (The Revealed Kingdom 3-Book Series)** Mark Loretz, 2024-01-06 I have found sowing seed, thinking it was good ground, and hoping for a return is not what the Kingdom is. But pressing in, waiting, listening, and growing in my relationship with the Holy Spirit and being obedient to His prompting has revealed the reality of The Kingdom, which is within me. Within these pages, Mark has managed to coerce the reader to delve deeper into their relationship with the Father to find the lustrous pearl and compel you, the purchaser, to sell everything to possess it. The writings expose the gap between the child-like faith illustration Jesus used of the Kingdom of heaven belonging to children to the reality in adulthood of what it entails and the availability as Jesus taught in His Prayer. The challenge has been to understand again that it is in seeking first His Kingdom and His Righteousness which reveals the ultimate Pearl of Great Worth, Jesus Christ and His Kingdom.

*The Kingdom Discovered - Book 1 (The Revealed Kingdom 3-Book Series)* Mark Loretz, 2023-12-15 Dr. Mark Loretz has been a close friend and ministry colleague for over twenty years. I consider him to be a truly gifted and anointed Kingdom teacher and prophetic voice of our time. He has a passion for extending God's Kingdom in every sphere of society and helping people and organizations to achieve their full potential in Christ. He is truly a

man of God who is wholeheartedly committed to love and obey God and to fulfil all that God has called him for In this great new book he brilliantly and practically reveals and unlocks so many precious gems of revelation regarding the Kingdom of God that I can highly recommend it to every believer in the body of Christ **Developing a Kingdom Mind-Set** Lou Jean Turner,2018-03-16 In the natural world the process of appropriating a place for ones own use involves planning organization and strategies for implementation Getting to know the people language and culture is a valuable asset for effective communication Possibly the greatest need in succeeding is the provision of a leader to act or speak on behalf of the new government A person who is knowledgeable of the government and loyal to its king would be an ideal candidate The key here seems to be an acknowledgment of and commitment to the process We first see the process of colonization as Gods choice to make earth an extension of heaven the place created for Him God is a spirit and therefore we understand that He lives in a spiritual place It is invisible The extension however is visible It is a garden given to His creation humankind with instructions There is evidence that socialization education empowerment and complementary relationships are parts of the preparation process of those who are made representatives of heavens government Gods design for teaching humankind to think like He thinks is the perfect blue print It seems that as believers children of God and kingdom citizens we have not completed the process We must move from being believers to kingdom representatives We must learn to think like our King which will be reflected in our behavior Having developed a kingdom mind set we must then help other believers experience the process
