#### A Scene at the Railway Station

A railway station can be termed as a museum of humans or a fair of human faces. It is crowded and there is a lot of activity. Porters load and unload the parcels. There are vendors on all sides selling foodstuff according to the season. In the summers, the sellers of cold drinks raise loud cries with great emphasis on "cold," "sweet," "tasty," etc. In the winters, sellers of tea raise the cry "hot tea" again and again. One can buy newspapers, books and comics too. Sometimes we can witness strange disturbances on the platform. In the rush, pickpockets and snatchers get a chance of playing their trick. One should be wary of loose hanging wires and potholes too. When the train arrives, there is a mad kind of rush around it. Passengers get off and jump onto the train in a hurry. Extreme caution must be taken while getting on or off the train. The train passes but the noise and hustle-bustle remain.
