1. **Answer:** **False** – **Explain:** According to the author, the primary reason for the failure of the first two attempts at the creation of a national bank in the United States was the lack of a strong central government. The author argues that the first two attempts at the creation of a national bank were both unsuccessful because they were both created by Congress and not by the President. The author argues that the first two attempts at the creation of a national bank were both unsuccessful because they were both created by Congress and not by the President.
