## IMPORTANT SAFETY NOTICE

This operation depends upon reliable equipment and proper operating procedures. Performing the checks and services described in this manual will help to keep your **Greiner**® Material Handler in reliable condition and use of the recommended operating procedures can help you avoid accidents. Because some procedures may be new to even the experienced operator, we recommend that this manual be read, understood and followed by all who operate the unit.

Direct attention to, and compliance with instructions provided in this manual, the OSHA Rough Terrain Forklift Safety Manual, the Grapple Material Handler Safety Manual, as well as instructional sheets and plates affixed to the machine, will help you avoid personal injury and damage to the equipment. The information provided is not intended to cover all situations; it would be impossible to anticipate and evaluate all possible applications and methods of operation for this equipment.
