

Graduation Invocation Prayer

(suitable for opening the ceremony)

Dear God,

Today we join with heaven as we celebrate and give thanks for every student here. Thank you that each one is unique and brimming with potential.
Thank you for leading them in their learning, for keeping them safe as they studied, and for watching over them in their final exams.
We pray that they may all feel proud this day and enjoy sharing their achievements with family and friends. May today be a memory that burns bright within them as they embark on life's great adventure.

Amen.

High School Graduation Prayer

Father, we thank you so much for our time here together
For all the friends we have made
For all the days of laughter and fun
And for all the times of great discovery and learning.
We thank You for all who have given of their energy and skill
So that we can graduate today.
Our teachers and mentors
Our family and loved ones
We thank You for them and give them all to You in prayer.

As this chapter on our life closes, so a new one begins.
We present ourselves like an open book before You.
Come and scribe Your words of life into our lives -
Fill our minds with Your thoughts
Fill our bodies with Your strength
Fill our hearts with Your dreams
That we might eternally love and serve You
This day and every day.

We ask all this in the glorious name of Jesus
Who lives and reigns with You and the Holy Spirit
World without end.

Religion-State Relations in the United States and Germany Claudia E. Haupt,2011-12-08 This comparative analysis of the constitutional law of religion state relations in the United States and Germany focuses on the principle of state neutrality A strong emphasis on state neutrality a notoriously ambiguous concept is a shared feature in the constitutional jurisprudence of the US Supreme Court and the German Federal Constitutional Court but neutrality does not have the same meaning in both systems In Germany neutrality tends to indicate more distance between church and state whereas the opposite is the case in the United States Neutrality also has other meanings in both systems making straightforward comparison more difficult than it might seem Although the underlying trajectory of neutrality is different in both countries the discussion of neutrality breaks down into largely parallel themes By examining those themes in a comparative perspective the meaning of state neutrality in religion state relations can be delineated *A Voice in the Village Square* John P.
