Grammar in Context Sandra N. Elbaum, 2016

Grammar in Context 1 Elbaum, 2005-03-01 National Geographic

Learning's best selling grammar series now has more of what works for students and teachers. Students learn more, remember more, and use language more effectively when they learn grammar in context. Grammar in Context Fifth Edition presents grammar in interesting, informative readings and then recycles the language and context throughout every activity.

Interchange Level 3 Teacher's Edition with Assessment Audio CD/CD-ROM Jack C. Richards, 2012-11-12 Interchange

Fourth Edition is a fully revised edition of Interchange, the world's most successful series for adult and young adult learners of North American English. The course has been revised to reflect the most recent approaches to language teaching and learning. It remains the innovative series teachers and students have grown to love while incorporating suggestions from teachers and students all over the world. This edition offers updated content in every unit, grammar practice and opportunities to develop speaking and listening skills. Interchange Fourth Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar functions, vocabulary, and pronunciation. The underlying philosophy of the course remains that language is best learned when it's used for meaningful communication.

Cambridge Handbook of English Corpus Linguistics Douglas Biber, Randi Reppen, 2015-06-25 The Cambridge Handbook of English Corpus Linguistics (CHECL) surveys the breadth of corpus-based linguistic research on English, including chapters on collocations, phraseology, grammatical variation, historical change, and the description of registers and dialects. The most innovative aspects of the CHECL are its emphasis on critical discussion, its explicit evaluation of the state of the art in each sub-discipline, and the inclusion of empirical case studies. While each chapter includes a broad survey of previous research

the primary focus is on a detailed description of the most important corpus based studies in this area with discussion of what those studies found and why they are important Each chapter also includes a critical discussion of the corpus based methods employed for research in this area as well as an explicit summary of new findings and discoveries **Ventures Level 4**
