A Dinner for the Dogs

Your job is to figure out how much was raised through ticket sales and donations, and figure out how much supplies will cost (using the community center's donations). Then you will need to choose meals and drinks from carefully in order to help the shelter raise its desired goal of \$20,000.

On the following pages, you will find the cost breakdowns, prices of those items will need to be completed by you in order to calculate the totals.

Finally, you will need to fill out the event sign on the last page. This will require you to fill in the money for the evening, as well as the meals that will be planned. You will also need to show how much money was raised in total for the shelter and whether or not they met their fundraising goal.
