**Story Stretchers for the Primary Grades** Shirley C. Raines, 1994 Activities to expand children's favorite books Primary grades      *Pictures of the Heart* Joshua S. Mostow, 1996-01-01 The Hyakunin Isshu or One Hundred Poets One Poem Each collection is a sequence of one hundred Japanese poems in the tanka form selected by the famous poet and scholar Fujiwara no Teika 1162 1241 and arranged in part to represent the history of Japanese poetry from the seventh century down to Teika's own day The anthology is without doubt the most popular and widely known collection of poetry in Japan a distinction it has maintained for hundreds of years In this study Joshua Mostow challenges the idea of a final or authoritative reading of the Hyakunin Isshu and presents a refreshing persuasive case for a reception history of this seminal work In addition to providing a new translation of this classic text and biographical information on each poet Mostow examines issues relating to text and image that are central to the Japanese arts from the Heian into the early modern period By using Edo period woodblock illustrations as pictorializations of the poems as pictures of the heart or meaning of the poems text and image are pieced together in a holistic approach that will stand as a model for further research in the interrelationship between Japanese visual and verbal art      **Wallace Stevens and the Limits of Reading and Writing** Bart Eeckhout, 2002 Often

considered America's greatest twentieth century poet Wallace Stevens is without a doubt the Anglo modernist poet whose work has been most scrutinized from a philosophical perspective Wallace Stevens and the Limits of Reading and Writing both synthesizes and extends the critical understanding of Stevens's poetry in this respect Arguing that a concern with the

establishment and transgression of limits goes to the heart of this poet's work. Bart Eeckhout traces both the limits of Stevens's poetry and the limits of writing as they are explored by that poetry. Stevens's work has been interpreted so variously and contradictorily that critics must first address the question of limits to the poetry's signifying potential before they can attempt to deepen our appreciation of it. In the first half of this book the limits of appropriating and contextualizing Stevens's *The Snow Man* in particular are investigated. Eeckhout does not undertake this reading with the negative purpose of disputing earlier interpretations but with the more positive intention of identifying the intrinsic qualities of the poetry that have been responsible for the remarkable amount of critical attention it has received.
