

GRE Scoring Guide: Analyze an Argument

Score 6

A 6 paper presents a cogent, well-articulated critique of the argument and conveys meaning skillfully. A typical paper in this category

- clearly identifies important features of the argument and analyzes them insightfully
- develops ideas cogently, organizes them logically, and connects them with clear transitions
- effectively supports the main points of the critique
- demonstrates control of language, including appropriate word choice and sentence variety
- demonstrates facility with the conventions (i.e., grammar, usage, and mechanics) of standard written English but may have minor errors

Score 5

A 5 paper presents a generally thoughtful, well-developed critique of the argument and conveys meaning clearly. A typical paper in this category

- clearly identifies important features of the argument and analyzes them in a generally perceptive way
- develops ideas clearly, organizes them logically, and connects them with appropriate transitions
- sensibly supports the main points of the critique
- demonstrates control of language, including appropriate word choice and sentence variety
- demonstrates facility with the conventions of standard written English but may have minor errors

Score 4

A 4 paper presents a competent critique of the argument and conveys meaning adequately. A typical paper in this category

- identifies and analyzes important features of the argument
- develops and organizes ideas satisfactorily but may not connect them with transitions
- supports the main points of the critique
- demonstrates sufficient control of language to express ideas with reasonable clarity
- generally demonstrates control of the conventions of standard written English but may have some errors
