Politically Incorrect Guide to the Presidents Steven F. Hayward, 2012-02-13 Larry Schweikart a retired history professor is ready to set the record straight on the American presidents He goes through each of the first 26 presidents from Washington to Taft and debunks myths lies and fake news made fact by the uninformed Discover why George Washington favored American isolationism James Madison supported states rights what Lincoln promised to Southerners about fugitive slaves and why nineteenth century presidents were the last to understand the true role of government So what made these presidents so much better than the ones America has now Schweikart argues that recent commanders in chief have welcomed crises to advance their own partisan agenda defied the separation of powers the Founders carefully constructed to preserve the Republic and given us every reason to doubt they take the country s interests to heart Key Concepts Trevor Pateman, 2016-05-05 First published in 1991 The arts can only thrive in a culture where there is conversation about them This is particularly true of the arts in an education context Yet often the discussion is poor because we do not have the necessary concepts for the elaboration of our aesthetic responses or sufficient familiarity with the contending schools of interpretation The aim of Key Concepts is to engender a broad and informed conversation about the arts By means of over sixty alphabetically ordered essays the author offers a map of aesthetics critical theory and the arts in education The essays are both informative and argumentative with cross references a supporting bibliography and suggestions for further reading
