An Introduction to English Economic History and Theory Sir William James Ashley, 1894 An Introduction to English Economic History and Theory William James Ashley, 1893

The Present State of Scholarship in the History of Rhetoric Lynée Lewis Gaillet, Winifred Bryan Horner, 2010-03-15 Through two previous editions The Present State of Scholarship in Historical and Contemporary Rhetoric has not only introduced new scholars to interdisciplinary research but also become a standard research tool in a number of fields and pointed the way toward future study Adopting research methodologies of revision and recovery this latest edition includes all new material while still following the format of the original and is constructed around bibliographical surveys of both primary and secondary works addressing the Classical Medieval Renaissance and eighteenth through twentieth century periods within the

history of rhetoric The Present State of Scholarship in the History of Rhetoric doesn't simply update but rather recasts study in the history of rhetoric The authors experienced and well known scholars in their respective fields redefine existing strands of rhetorical study within the periods expand the scope of rhetorical engagement and include additional figures and their works The globalization and expansion of rhetoric are demonstrated in each of these parts and seen clearly in the inclusion of more female rhetors discussions of historical and contemporary electronic resources and examinations of rhetorical practices falling outside the academy and the traditional canon New to this edition is a cumulative review of twentieth century rhetoric along with a thematic index designed to facilitate interdisciplinary or specialized study and scholarly research across the traditional historical periods As programs incorporating rhetorical studies continue to expand at the university level students and researchers are in need of up to date bibliographical resources No other work matches the scope and approach of The Present State of Scholarship in the History of Rhetoric which carries scholarship on rhetoric into the twenty first century

Jewish Rhetorics Michael Bernard-Donals, Janice W. Fernheimer, 2014-12-02 This volume the first of its kind establishes and clarifies the significance of Jewish rhetorics as its own field and as a field within rhetoric studies Diverse essays illuminate and complicate the editors definition of a Jewish rhetorical stance as allowing speakers to maintain a resolute sense of engagement with their fellows and their community while also remaining aware of the dislocation from the members of those communities Topics include the historical and theoretical foundations of Jewish rhetorics cultural variants and modes of cultural expression and intersections with Greco Roman Christian Islamic and contemporary rhetorical theory and practice In addition the contributors examine gender and Yiddish and evaluate the actual and potential effect of Jewish rhetorics on contemporary scholarship and on the ways we understand and teach language and writing The contributors include some of the world's leading scholars of rhetoric writing and Jewish studies Trust in Texts Susan Miller, 2008 Trust in Texts A Different History of Rhetoric challenges the accepted idea of a singular rhetorical tradition poorly maintained from the Athenian Golden Age until the present Author Susan Miller argues that oratorical rhetoric is but one among many codes that guide the production of texts and proposes that emotion and trust are central to the motives and effects of rhetoric This groundbreaking volume makes a case for historical rhetoric as disbursed formal and informal lessons in persuasion that are codified as crafts that mediate between what is known and unknown in particular rhetorical situations Traditional unified histories of rhetoric ignore the extensive historical interactions among discourses including medicine drama lyric poetry philosophy oratory and literary fiction that have operated from antiquity across cultures that are historically and geographically joined Drawing not just on traditional rhetorical works but also on texts from philosophy and literature Miller expands the body of works to be considered in the study of rhetoric As the first book length study that calls into question the centrality of logos to rhetoric Trust in Texts will change the way the history of rhetoric is viewed and taught and will be essential to scholars and students of communications rhetoric English classics and literary studies Style Brian

Ray,2014-11-01 *Style An Introduction to History Theory Research and Pedagogy* conducts an in depth investigation into the long and complex evolution of style in the study of rhetoric and writing The theories research methods and pedagogies covered here offer a conception of style as more than decoration or correctness views that are still prevalent in many college settings as well as in public discourse **Genre and the Performance of Publics** Mary Jo Reiff,Anis Bawarshi,2016-03-01

In recent decades genre studies has focused attention on how genres mediate social activities within workplace and academic settings *Genre and the Performance of Publics* moves beyond institutional settings to explore public contexts that are less hierarchical broadening the theory of how genres contribute to the interconnected and dynamic performances of public life Chapters examine how genres develop within publics and how genres tend to mediate performances in public domains setting up a discussion between public sphere scholarship and rhetorical genre studies The volume extends the understanding of genres as not only social ways of organizing texts or mediating relationships within institutions but as dynamic performances themselves By exploring how genres shape the formation of publics *Genre and the Performance of Publics* brings rhetoric composition and public sphere studies into dialogue and enhances the understanding of public genre performances in ways that contribute to research on and teaching of public discourse *Literature, Theory, History* J.

Hart,2011-10-24 This book discusses literature theory and history in close relation Its main focus is on comparative literature and history culture poetics rhetoric theatricality genre and gender and balances close reading with theory and historical context **Emotion and the History of Rhetoric in the Middle Ages** Rita Copeland,2021 Presents a history of the ways

in which authors of the Middle Ages mobilized the force of emotion in their rhetorical writings and explores the changes that the role of emotion in rhetorical theory underwent during this period in relation to means of textual transmission and conditions of rhetorical teaching **Rhetorical Theory by Women Before 1900** Jane Donawerth,2002 This anthology is

the first to feature women s rhetorical theory from the fifth through the nineteenth centuries Assembling selections on rhetoric composition and communication by 24 women around the world this valuable collection demonstrates an often overlooked history of rhetoric as well as women s interest in conversation as a model for all discourse Among the theorists included are Aspasia Pan Chao Sei Shonagon Madeleine de Scud ry Hannah More Hallie Quinn Brown and Mary Augusta Jordan The book also contains an extensive introduction explanatory headnotes and detailed annotations
