Love Your Neighbor Thinking Wisely About Right And Wrong:

Love Your Neighbor Norman L. Geisler, Ryan P. Snuffer, 2007-07-09 Love Your Neighbor is a concise introduction to Christian ethics It begins with a look at the biblical basis for morality defines and describes various philosophical approaches to the subject of ethics then connects biblical morality with the idea of absolute truth in philosophy The book then moves from its philosophical basis to a practical application of Christian ethics considering a wide range of social biomedical and personal issues It does not take a partisan or denominational approach to these issues but squarely faces them with an open mind and open Bible The book is based on sound biblical and philosophical reasoning and does not tell readers what to think but encourages them to think biblically and critically through these issues **The Bible's Answers to 100 of Life's**

Biggest Questions Norman L. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell **Truth in Focus** Ryan Snuffer, 2005-08 Truth in Focus equips teens to understand and defend their faith Author Norman L Geisler states Truth in Focus is clear concise and relevant No available book does a better job Evangelical America Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality **Can We Live Forever?** Ryan P. Snuffer, 2009-04-30 Can We Live Forever will make a great supplement to any college class that deals with medical or ethical issues DEFENDING EVANGELICALISM William C. Roach, 2020-11-15 This book is an important part of the historical record of Dr Norman L Geisler It displays Geisler s intellectual gifts and devotion to the Lordship of Christ in his defense of Christianity and classic evangelicalism This book written by one of Geisler s long time and trusted assistants will be of importance to those who want a first hand interpretation of Geisler and the significance

of Geisler's method for present day evangelicalism. It provides a clear assessment of the impact of Geisler's embrace of classical realism, classical theism, the doctrine of inerrancy in the context of twentieth century evangelical theology while providing a way forward to apply Geisler's method in the twenty first century. *I'm Right and You're Wrong* Steve Kindle, 2015-02-27

Why do well meaning intelligent people disagree about the Bible? What should I do when people disagree? How can I use disagreement to help me understand the Bible more clearly? If I can't agree with someone on how to read the Bible, does it mean the end of fellowship? How many times have you had a conversation with someone that involved a disagreement over the Bible? And how many times have these conversations led to interruptions of friendships or even extended family disputes? Some of these disputes have split congregations. Even the more mild disagreements can leave us perplexed. Why is it that something so plain to one is so obviously unconvincing to others? This often leads us to search for ways to convince others through honing our interpretive skills, doing elaborate word studies, consulting scholarly commentaries and the like. In the end, however, people don't easily change their minds and we are left to wonder why. This book differs from most in that rather than looking at how to interpret the Bible properly, we'll examine the sources of disagreement among interpreters. We all have our own ways of trying to understand the Bible and they are close to our hearts. Many of us think our way is superior to most, if not all. But we will not venture into who is right and who is wrong in our interpretations. What concerns us here is why we interpret the way we do and what our attitude should be toward those with whom we disagree.
