The Nuts and Bolts of Church Planting Aubrey Malphurs,2011-02-01 Most books on church planting offer a model for churches to replicate usually one that is tied to a particular style generation or demographic But what churches really need is a process that is flexible not bound to a particular time or current fad In *The Nuts and Bolts of Church Planting* trusted author and church planting expert Aubrey Malphurs shares the basic steps any church planter will need regardless of his or her generation now or in the future These steps include establishing values mission vision and strategy reaching the community making disciples recruiting a team determining location and facilities raising money for the ministry With instant practical takeaway based on proven techniques this book will be invaluable to any church planter **DISCIPLESHIP** Gary Beisheim,2024-01-17 This book is a must read for every Christian desiring to deepen and strengthen their relationship with Jesus Christ The author provides a renewed insight for the church and for individuals into being and making disciples by going back to the historic roots of the word disciple i e what it meant in ancient times He also demonstrates what Jesus really meant when He said Go make disciples Mr Beisheim also shows how the word and concept have become distorted and watered down in all but a few churches in America In today s world it is just a concept or a course or a program using terms like mentoring or coaching you will find it is so much more The author does this by redefining what the word disciple and

making disciples really means Then the author explains Jesus s only two commands love God and love one another Finally the author spends time on what to teach others ways in which you and Christ can really dive deep and get to know each other The result is a radically renewed way of thinking about being a disciple not merely an occasional churchgoer and making disciples and life itself and how this concept can shape a way of living that affects every relationship you have This is not some concept that worked only in Jesus s day but one which works today in our world as illustrated and attested to by the author 2 Making Him L.O.R.D. Guy Caskey,2020-07-17 Making Him L O R D is a book about allowing God to control your life in such a way that there are incredible results You know brothers and sisters that our visit was not without results 1 Thessalonians 2 1 The Bible refers to results as Christ expressing His Life in and through you Some may refer to this as fruit work multiplication or movement All of those are appropriate ways to describe how God wants to cover the earth with His Glory From the very beginning we want to be honest with the admission that this cannot be done on our own but can only be done by Christ s power A life surrendered to God is a vessel used by God to accomplish His Vision L O R D is an acrostic that stands for Living Out Reproducible Discipleship If you want your life to echo throughout the halls of eternity this is a book for you Our Master and King has set forth the plan and purpose are His chosen instruments This book is about a captivating vision held by many Kingdom minded citizens who desire that none shall perish This is the Father s heart **Charles Stanley's Handbook for Christian Living** Charles F. Stanley,2008-10-14 A friendly easy to use discipleship guidebook for every believer Since life is a journey feel free to stop and ask for directions Previously released as the bestselling The Glorious Journey this practical volume by Dr Charles Stanley shows readers how to put God s Word to work in their daily lives As believers our desire is to follow the Lord more closely and to utilize His Word for maximum impact in our lives Occasionally however we find ourselves not even knowing the questions to ask or the best way to approach Scripture in search of answers In this collection he speaks with authority on such issues as the real purpose of baptism how to treat others at work a proper view of those in government how grace saves us and how worry robs us what freedom really is He also shares biblical insight into relationships children parenting loneliness sexual pressures as well as strategies for personal growth From the thorny issues of daily life to a framework for the end times and everything in between Charles F Stanley s Handbook for Christian brings Scripture to life makes sense of the hard questions and enhances your understanding of the way life was meant to be lived *Doing What Jesus Did* John Decker,Sonja Decker,2015-10-06 But be doers of the word and not hearers only James 1 22 nkjv Doing What Jesus Did invites you to learn how to move into the supernatural realm that Jesus said in John 14 12 14 we could and should enter Husband and wife authors John and Sonja Decker will equip you to minister in the way Jesus invited us to including miracles by teaching you His six essential strategies for effective discipleship Leading people to Christ Leading Christians into the Holy Spirit baptism Learning how to heal the sick Hearing from God Healing the sick by revelation Dealing with demons Much more than a handbook of New Testament principles Doing What

Time Is Of The Essence David Harder, Del Downs, Gary Harder, 2021-03-01 Our original book of devotions is based on the song lyrics from Time Is Of The Essence In the book we share Scripture lessons and life experiences that relate to the message of each song God works in mysterious ways Getting the three writers together to do this book bordered on the miraculous The varied backgrounds and experiences that prepared the writers for this book made for an incredible mix but only touches on their individual life stories The idea of writing devotions about the music they were already working on was inspired Sit back and dig into these stories and further into God s Word to see what He has to tell you
