Kassis, 2023-11-03 From the Foreword Our an vocabulary are also included This Concordance of the Our an in English satisfies a paramount need of those and there are millions of them who have no command of the Arabic language and yet desire to understand the Qur an The benefit derivable from English translations of the Sacred Book is in principle limited because first the Qur an is not a book but a collection of passages revealed to Muhammad over a period of about twenty three years and second because the Qur an is not really translatable This does not mean that the Qur an should not be translated It does mean that translations lose much in tone and nuance let alone the incommunicable beauty grandeur and grace of the original The main distinction of Hana Kassis's concordance in my view is that it utilizes the semantic structure of Arabic vocabulary itself in revealing the meaning of the Qur an on any given issue point or concept A reader who looks in the index of this concordance for a word which he has encountered in reading an English translation of the Qur an the word pride for example is directed immediately to the roots of the Arabic Qur anic terms for pride At the entries for these Arabic roots all the derivative forms are shown and the verses of the Qur an in which they appear are there listed in translation I am confident that any person who is sincerely interested in understanding the Qur an and appreciating the nuances of its diction and shades of its meaning can satisfy his need more fully with this book than in any way short of developing a real command over the Arabic language itself Fazlur Rahman Professor of Islamic Thought University of Chicago From the Foreword This Concordance of the Our an in English satisfies a paramount need of those and there are millions of them who have no command of the Arabic language and yet desire to understand the Qur an The benefit Placemaker Christie Purifoy, 2019-03-12 Placemaker is a call to tend our souls our land and our homes to derivab cultivate comfort beauty and peace in the places God has us Images of comfortable kitchens and flower filled gardens stir something deep within us we instinctively long for home In a world of chaos and conflict we want a place of comfort and peace In Placemaker Christie Purifoy invites us to notice our soul s desire for beauty our need to create and to be created again and again As she reflects on the joys and sorrows of two decades as a placemaker and her recent years living in and restoring a Pennsylvania farmhouse Christie shows us that we are all gardeners No matter our vocation we spend much of our lives tending keeping and caring In each act of creation we reflect the image of God In each moment of making beauty we realize that beauty is a mystery to receive Weaving together her family s journey with stories of botanical marvels and the histories of the flawed yet inspiring placemakers who shaped the land generations ago Christie calls us to cultivate orchards and communities to clap our hands along with the trees of the fields to step into our calling to create to make a place in the place God made for us Placemaker is a timely yet timeless reminder that the cultivation of good and beautiful places is not a
