Satterlee, Lester Ruth, 2003-10-01 Creative preaching can help you move the sacraments to the center of your congregation's spirituality by making scripture personal experience and the sacraments intersect in such a way that a wealth of meanings surfaces. Satterlee and Ruth seek to expand the range of meanings and associations people bring to the sacraments. They examine in depth how theology, scripture, context, and timing relate to effective sacramental preaching. Six sample sermons are included: In Whom Do You Place Your Trust, baptismal sermon by Stephen Castleberry; The Water of Life, baptismal sermon by Heichler; The Kiss of Peace, exchange of peace sermon by Craig A. Satterlee; The Ultimate Business Luncheon, Communion sermon by Lester Ruth; Crumbs Under the Table, Communion sermon by Cathy Felber; A Short Multisensory Baptismal Sermon, adapted from Ambrose. Recommended for pastors as a practical guide for preparing sermons that will make the great truths of God visible and tangible in the sacraments. Designed especially for clergy, chaplains, and catechists. **Understanding the Big Picture of the Bible** Wayne Grudem, C. John Collins, Thomas R. Schreiner, 2012-05-31 How do I get more out of my Bible reading? What was going on during the gap between the Old and New Testaments? How do all the books of the Bible fit together as a whole? This book answers these questions and puts clear, readable Bible study aids at your fingertips. It contains thirteen essays from some of today's best evangelical scholars, including C. John Collins, Thomas Schreiner, Gordon Wenham, and Darrell Bock, and will help you to see the big picture storyline of the Bible. Understand the theology of the Old and New Testaments. Read the different sections of Scripture effectively. Know what happened between the testaments. In addition to essays on each genre of the Bible, the book addresses the general Greco-Roman world and specific Jewish groups at the time of the New Testament. To aid in putting Bible passages in context, it also includes timelines of the Old and New Testaments and intertestamental events. Useful as both a general overview of the Bible and as a tool for more specific reference and training, this book will help you grow in your understanding of Scripture and your ability to apply the Bible to life. **Big Picture of the Bible - Old Testament** Lorna Daniels Nichols, 2007-11 What is the Old Testament all about? *God's Image and Global Cultures* Kenneth Nehrbass, 2016-08-26 Globalization has raised numerous questions about theology and culture for Christians How should we respond to outsourcing and immigration How does anti Western sentiment affect the proclamation of the gospel What is the role of the church in society This book argues that Christians will be most fulfilled and most effective if they embrace their cultural activity rather than feel ambivalent about it The central question of this book is how does bearing God's image relate to cultural activity Nehrbass explains that spheres of culture such as political technological and social structures are systems that God has instilled in humans as his image bearers so that they can glorify and enjoy him forever Therefore a theology of culture involves recognizing that the kingdom of God encompasses heaven and Earth rather than pitting heaven against Earth The text surveys anthropological explanations for humanity's dependence on culture and shows that each explanation provides only partial explanatory scope The most satisfying explanation is that a major functional aspect of bearing God's image is engaging in culture since the Trinity has been eternally engaged in cultural functions like ruling communicating and creating Each chapter contains a summary and questions about what it means to be a world changer in the twenty first century *International Journal of Religious Education*, 1927
