Glock 31 Owners Manual:

Glock Paul M. Barrett,2013-01-15 The Glock pistol is America s Gun It has been rhapsodized by hip hop artists and coveted by cops and crooks alike Created in 1982 by Gaston Glock the pistol arrived in America at a fortuitous time Law enforcement agencies had concluded that their agents and officers armed with standard six round revolvers were getting outgunned by drug dealers with semi automatic pistols they needed a new gun With its lightweight plastic frame and large capacity spring action magazine the Glock was the gun of the future You could drop it underwater toss it from a helicopter or leave it out in the snow and it would still fire It was reliable accurate lightweight and cheaper to produce than Smith and Wesson s revolver Filled with corporate intrigue political maneuvering Hollywood glitz bloody shoot outs and an attempt on Gaston Glock s life by a former lieutenant Glock is not only the inside account of how Glock the company went about marketing its pistol to police agencies and later the public but also a compelling chronicle of the evolution of gun culture in America Catalog of Copyright Entries, Third Series Library of Congress. largely due to the NRA that the U S gun policy differs so extremely some would say so tragically from that of every other developed nation But as Frank Smyth shows the NRA has evolved from an organization concerned above all with marksmanship and which supported most government efforts around gun control for a hundred years to one that resists all attempts to restrict guns in any way At the same time the organization has also buried its own remarkable history Here is that story from the NRA s surprising roots in post Civil War New York City to the defining event that changed its culture forever the so called Cincinnati Revolt of 1977 to the present day where President Donald Trump is the most ardent champion in the White House the NRA has ever had For anyone who has looked at access to guns in our society and asked Why this is an unmatched account of how we got here and who got us here
