God Where Are You Voices From The Monastery:

Voices from the Mountains Andrew D. Mayes, 2021-10-18 In the shifting sands of today's uncertain world where traditional paradigms are fragmenting and everything seems in a state of flux the biblical mountains endure as unshakable and steadfast In their caves and canyons linger ancient voices that can startle us into new insights and awaken in us new ways of seeing the world and ourselves In this book we go on a quest to locate the ancient voices of those who actually lived in these mountains who knew both the physical contours and spiritual secrets of the summits and who long pondered their mysteries We will rediscover texts and fragments that have been long forgotten in the West The pandemic has filled the world with uncertainty and fear We will discover wisdom and insights that are strikingly relevant to this unfolding world crisis and that speak with an uncanny directness to our situation But the wisdom here is timeless and enduring and readers will benefit from these ancient voices in all generations and in all sorts of circumstances This book is not so much an anthology of forgotten voices as a sourcebook of spirituality and a guidebook for the spiritual adventure **The Lands of**

became a traitor then the persecution of the 20th century figuratively speaking often only one out of twelve was left true The terrible atmosphere of total renunciation betrayal betrayal the unimaginable scale of a spiritual and historical disaster millions of people captivated by lies and involved in the satanic reprisals against the Church of Christ over their people and their country all this plunged into despondency and despair produced a sense of doom hopelessness abandonment Having lost faith in God the formerly great Orthodox Russia became a defenseless object for the implementation of the satanic plan of an unprecedented in the history of genocide Civil and Patriotic War tens of millions of victims of artificially created famine tens of millions of innocent painfully destroyed in countless camps and prisons Before the Orthodox people are soldered accustomed to deception theft and lies as a way of life to violence and robbery to fornication and debauchery to the systematic destruction of their own children In a devilish obscurity seeing enemies in each other and becoming enemies people gave their strength and life to a century old senseless war cruelly ruthlessly tormenting each other They became unable to organize their national life forgot how to work forgot how to love live a family life give birth and raise children
