Going Local Decentralization Democratization And The Promise Of Good Governance:

Going Local Merilee Serrill Grindle, 2007 Publisher description *Going Local* Merilee S. Grindle, 2009-03-09 Many developing countries have a history of highly centralized governments Since the late 1980s a large number of these governments have introduced decentralization to increase democracy and improve services especially in small communities far from capital cities In *Going Local* an unprecedented study of the effects of decentralization on thirty Mexican municipalities Merilee Grindle describes how local governments respond when they are assigned new responsibilities and resources under decentralization policies She explains why decentralization leads to better local governments in some cases and why it fails to in others Combining quantitative and qualitative methods Grindle examines data based on a random sample of Mexican municipalities and ventures into town halls to follow public officials as they seek to manage a variety of tasks amid conflicting pressures and new expectations Decentralization she discovers is a double edged sword While it allows public leaders to make significant reforms quickly institutional weaknesses undermine the durability of change and legacies of the past continue to affect how public problems are addressed Citizens participate but they are more successful at extracting resources from government than in holding local officials and agencies accountable for their actions The benefits of decentralization regularly predicted by economists political scientists and management specialists are not inevitable she argues Rather they are strongly influenced by the quality of local leadership and politics *Going Local: Decentralization, Democratization and the Promise of Good Governance, Por Merilee S. Grindle, Princeton, Princeton University Press, 2007, 248 Pp* Jonathan Hiskey, 2008 Reseña de "Going Local, Decentralization, Democratization and the Promise of Good Governance" de Merilee S. Grindle Sergio Cárdenas Denham, 2008 Decentralization, Democratization, and Informal Power in Mexico Andrew Selee, 2015-10-20 In the last two decades of the twentieth century many countries in Latin America freed themselves from the burden of their authoritarian pasts and developed democratic political systems At the same time they began a process of shifting many governmental responsibilities from the national to the state and local levels Much has been written about how decentralization has fostered democratization but informal power relationships inherited from the past have complicated the ways in which citizens voice their concerns and have undermined the accountability of elected officials In this book Andrew Selee seeks to illuminate the complex linkages between informal and formal power by comparing how they worked in three Mexican cities The process of decentralization is shown to have been intermediated by existing spheres of political influence which in turn helped determine how much the institution of multiparty democracy in the country could succeed in bringing democracy closer to home **The Idea of Good Governance and the Politics of the Global South** Haroon A. Khan, 2015-08-11 One of the major objectives of good governance is human development Many worry that without good governance many developing countries may become failed states Using one of the worst industrial disasters in Bangladesh to date Haroon A Khan helps further our understanding of the importance of bureaucratic capacity

for achieving good governance and offers a new paradigm for a merit system to improve governance In doing so he introduces the reader to the concept of good governance and its importance by investigating its relationship with failed states globalization bureaucratic effectiveness and human development The Idea of Good Governance and the Politics of the Global South will be useful for the students interested in political science public administration and international relations

Civil Society and Participatory Governance Maureen M. Donaghy, 2013 Breaks new ground in the study of participatory governance by combining qualitative and quantitative research methods Donaghy uses data from Brazil's 5 564 municipalities and fieldwork from five Brazilian cities to test whether participatory municipal housing councils are associated with an increase in adoption of social housing programs to benefit the poor

Sustainable Governance of Wildlife and Community-Based Natural Resource Management Brian Child, 2019-10-23 This book develops the Sustainable Governance Approach and the principles of Community Based Natural Resource Management CBNRM It provides practical examples of successes and failures in implementation and lessons about the economics and governance of wild resources with global application CBNRM emerged in the 1980s encouraging greater local participation to conserve and manage natural and wild resources in the face of increasing encroachment by agricultural and other forms of land use development This book describes the institutional history of wildlife and the empirical transformation of the wildlife sector on private and communal land particularly in southern Africa to develop an alternative paradigm for governing wild resources With the twin goals of addressing poverty and resource degradation in the world's extensive agriculturally marginal areas the author conceptualises this paradigm as the Sustainable Governance Approach which integrates theories of proprietorship and rights prices and economics governance and scale and adaptive learning The author then discusses and defines CBNRM a major subset of this approach Interweaving theory and practice he shows that the primary challenges facing CBNRM are the devolution of rights from the centre to marginal communities and the governance of these rights by communities a challenge which is seldom recognised or addressed He focuses on this shortcoming extending and operationalising institutional theory including Ostrom's principles of collective action within the context of cross scale governance Based on the author's extensive experience this book will be key reading for students of natural resource management sustainable land use community forestry conservation and development Providing practical but theoretically robust tools for implementing CBNRM it will also appeal to professionals and practitioners working in communities and in conservation and development

Understanding Policy Change Cristina Corduneanu-Huci, Alexander Hamilton, Issel Masses Ferrer, 2012-11-09 This book provides the reader with the full panoply of political economy tools and concepts necessary to understand analyze and integrate how political and social factors may influence the success or failure of their policy goals

Philippine Politics Lynn White III, 2014-12-17 Philippine political history especially in the twentieth century challenges the image of democratic evolution as serving the people and does so in ways that reveal inadequately explored aspects of many democracies In the

first decades of the twenty first century the Philippines has nonetheless shown gradual socioeconomic progress This book provides an interpretive overview of Philippine politics and takes full account of the importance of patriotic Philippine factors in making decisions about future political policies It analyses whether regional and local politics have more importance than national politics in the Philippines Discussing cultural traditions of patronism it also examines how clan feuds localize the state and create strong local policies These conflicts in turn make regional and family run polities collectively stronger than the central state institution The book goes on to explore elections in the Philippines and in particular the ways in which politicians win democratic elections the institutionalized role of public money in this process and the role that media plays Offering a new interpretive overview of Philippine progress over many decades the author notes recent economic and political changes during the current century while also trying to advance ideas that might prove useful to Filipinos

Presenting an in depth analysis of the problems and possibilities of politics and society in the Philippines the book will be of interest to those researching Southeast Asian Politics Political History and Asian Society and Culture *Public Service*

Broadcasting 3.0 Mira Burri, 2015-06-05 The digital media environment is characterized by an abundance and diversity of content a multiplicity of platforms new modes of content production distribution and access and changed patterns of consumer and business behaviour This has challenged the traditional model of public service broadcasting PSB in diverse ways This book explores whether and how PSB should adapt to reflect the conditions of the digital media space so that it can effectively and efficiently continue to serve its public mandate Drawing on literature on media governance in media and communication science public international law as well as discussions on cyberlaw Mira Burri maps and critically analyses existing policy and scholarly debates on PSB transformation She challenges some of conventional rationales for reform identifies new ones as well as exposes the limitations placed upon existing and future policy solutions by global media governance arrangements especially in the fields of trade copyright and Internet governance The book goes on to advance a future oriented model of Public Service Media which is capable of matching an environment of technological and of governance complexity As a work that explores how public interest objectives can be pursued efficiently and sustainably in the digital media ecology this book will be of great interest and use to students and researchers in media law information technology law and broadcast media studies as well as to policy makers **Rural Policy Implementation in**

Contemporary China Anna Ahlers, 2014-01-10 At the turn of the millennium the disparities between rural and urban livelihoods underdevelopment and administrative shortcomings in the Chinese countryside were increasingly seen as posing a manifest threat to social harmony and economic and political stability At that time the term three rural problems sannong wenti was coined which defined the main issues of rural life that needed to be targeted by government action agriculture nongye villages nongcun and farmers nongmin In turn with the launch of the 11th Five Year Plan in 2006 a pledge was made to shift the focus of developmental efforts to the long neglected countryside which is still home to half of the Chinese

population This book presents an analysis of adaptive local policy implementation in China in the context of the Building of a New Socialist Countryside BNSC policy framework Based on intensive field work in four counties in Fujian Jiangxi Shaanxi and Zhejiang Provinces between 2008 and 2011 it offers detailed analyses of the form and impact of county governments strategic agency at certain stages and within certain fields of the implementation process for example the design of local BNSC programs the steering of project funding implementation and evaluation the establishment of model villages and the management of public participation Further this study illustrates that BNSC is far more than the empty slogan described by many observers when it was launched in 2005 2006 Instead it has already brought about considerable shifts in terms of the process and outcomes of rural policy implementation Altogether the results of this research challenge existing paradigms by showing how against the background of contemporary approaches to rural development and recent reforms initiated by the central state local bureaucracies strategic agency can actually push forward effective albeit not necessarily optimal policy implementation to some extent which serves the interests of central authorities local implementors and rural residents By tying into the larger debates on China s state capacity and authoritarian adaptability this book enriches our understanding of the inner workings of the Chinese political system As such it will prove invaluable to students and scholars of Chinese politics public policy and development studies more generally

Localizing Development Ghazala Mansuri,Vijayendra Rao,2012-11-01 This book examines the conceptual foundations of the participatory approach to local development assesses the evidence of its efficacy and draws key lessons for policy

The Politics of Education in Developing Countries Samuel Hickey,Naomi Hossain,2019 This book focuses on how politics shapes the capacity and commitment of elites to tackle the learning crisis in six developing countries It deploys a new conceptual framework to show how the type of political settlement shapes the level of elite commitment and state capacity to improving learning outcomes

The Government Analytics Handbook Daniel Rogger,Christian Schuster,2023-10-27 The Government Analytics Handbook presents frontier evidence and practitioner insights on how to leverage data to strengthen public administration Covering a range of microdata sources such as administrative data and public servant surveys as well as tools and resources for undertaking the analytics it transforms the ability of governments to take a data informed approach to diagnose and improve how public organizations work Readers can order the book as a single volume in print or digital formats or visit worldbank.org/governmentanalytics for modular access and additional hands on tools The Handbook is a must have for practitioners policy makers academics and government agencies Governments have long been assessed using aggregate governance indicators giving us little insight into their diversity and how they can practically be improved This pioneering handbook shows how microdata can be used to give scholars and practitioners granular and real insights into how states work and practical guidance on the process of state building Francis Fukuyama Stanford University author of State Building Governance and World Order in the 21st Century The Government Analytics Handbook is the most comprehensive work on practically building government administration I

have ever seen helping practitioners to change public administration for the better Francisco Gaetani Special Secretary for State Transformation Government of Brazil The machinery of the state is central to a country's prosperity This handbook provides insights and methodological tools for creating a better shared understanding of the realities of a state to support the redesign of institutions and improve the quality of public administration James Robinson University of Chicago coauthor of *Why Nations Fail* *Challenges of Governance* Ronald L. Holzhaecker, Wendy Guan Zhen Tan, 2021-01-05 This book presents a varied and multi dimensional view of challenges of governance in Southeast Asia and ASEAN through the variety of disciplines and nationalities involved In light of 50 years of regional collaboration and integration as the member states of ASEAN seek to chart out a future path for the region this book is dedicated to showcasing different challenges to governance that occur due to internal and external pressures for the various member states The editors are particularly interested in the multi level governance challenges on issues of democracy equity and sustainability the adaptation of policies and norms to fit an ASEAN way and the changing roles of civil society and citizens in this process of seeking a common identity and voice The book is divided into four sections The first section introduces the fundamental political institutional dynamics that are in play within the region and the interplay between regional forces and national norms The second section tackles the economic and legal discourses that various member states face in relation to external and internal pressures related to international and regional trade and industry The third section focuses on issues of sustainability and equity resulting from the vast socio spatial differences in the varied cities and regions of member states In the final section the authors discuss dilemmas resulting from economic growth in exploitative industries and the impact that has on the local and regional community through the lenses of inclusivity and justice Written by a diverse collection of policy makers researchers educators and activists from the regions discussed this book provides an authoritative first hand analysis of key challenges to governance in Southeast Asia and ASEAN As such this volume is an excellent resource for academics advanced masters and PhD candidates interested in the region and major Southeast Asian research institutes and centers as well as policy makers and influencers at both national and regional levels within the region **From Peril to Partnership** Paul J. Angelo, 2024 Plan Colombia and the M rida Initiative represented an unprecedented effort by Washington to stabilize fragile democracies in Latin America by shoring up the Colombian and Mexican security forces respectively From Peril to Partnership evaluates the extent to which the US government achieved its stabilization objectives US assistance was more helpful to Colombia than Mexico which adopted a more militarized approach This book highlights the importance of the private sector party system and security bureaucracy in facilitating progress and how their absence obstructs it **Rural Protest and the Making of Democracy in Mexico, 1968-2000** Dolores Trevizo, 2011-03-01 When the PRI fell from power in the elections of 2000 scholars looked for an explanation Some focused on international pressures while others pointed to recent electoral reforms In contrast Dolores Trevizo argues that a more complete explanation takes much earlier democratizing changes in civil society into

account Her book explores how largely rural protest movements laid the groundwork for liberalization of the electoral arena and the consolidation of support for two opposition parties the PAN on the right and the PRD on the left that eventually mounted a serious challenge to the PRI She shows how youth radicalized by the 1968 showdown between the state and students in Mexico City joined forces with peasant militants in nonviolent rural protest to help bring about needed reform in the political system In response to this political effervescence in the countryside agribusinessmen organized in peak associations that functioned like a radical social movement Their countermovement formulated the ideology of neoliberalism and they were ultimately successful in mobilizing support for the PAN Together social movements and the opposition parties nurtured by them contributed to Mexico s transformation from a one party state into a real electoral democracy nearly a hundred years after the Revolution

Natural Hazards and Disaster Risk Reduction Carina Fearnley, Emily Wilkinson, Catherine J. Tillyard, Stephen J. Edwards, 2016-04-08 Building upon presentations given during the conference on Disaster Risk Reduction for Natural Hazards Putting Research into Practice held at University College London in November 2009 the articles collected in this book examine how natural hazards research is accessed and used by practitioners and decision makers and conversely how policy and practice inform research As with the conference this book successfully brings together views from humanitarian and development agencies academia business government and funding bodies It is rare to engage such a wide range of sectors in a discussion relating to the issues of disaster risk reduction from a natural hazards perspective and the book captures this interaction and the resultant exchange of ideas thus providing an insight into how stakeholders respectively undertake or engage with natural hazards research Collectively the articles highlight the need for greater dialogue understanding and collaboration between all these sectors if research is to be made relevant and generate significant impact on risk reduction policy and practice There is an urgent requirement to better understand the respective needs ways of working project timescales and funding mechanisms for disaster risk reduction as well as the challenges posed by institutional and organizational structures and functions These issues must be overcome to ensure that ultimately and most significantly discussions turn into positive practical actions so that research on natural hazards is relevant and applicable The book represents a step in that journey This book was published as a special issue of *Environmental Hazards*

The Conundrum of Corruption Michael Johnston, Scott Fritzen, 2020-12-30 This book argues that it is time to step back and reassess the anti corruption movement which despite its many opportunities and great resources has ended up with a track record that is indifferent at best Drawing on many years of experience and research the authors critique many of the major strategies and tactics employed by anti corruption actors arguing that they have made the mistake of holding on to problematical assumptions ideas and strategies rather than addressing the power imbalances that enable and sustain corruption The book argues that progress against corruption is still possible but requires a focus on justice and fairness considerable tolerance for political contention and a willingness to stick with the reform cause over a very long process of

thoroughgoing sometimes discontinuous political change Ultimately the purpose of the book is not to tell people that they are doing things all wrong Instead the authors present new ways of thinking about familiar dilemmas of corruption politics contention and reform These valuable insights from two of the top thinkers in the field will be useful for policymakers reform groups grant awarding bodies academic researchers NGO officers and students

Decoding **Going Local Decentralization Democratization And The Promise Of Good Governance**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Going Local Decentralization Democratization And The Promise Of Good Governance Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Going Local Decentralization Democratization And The Promise Of Good Governance PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education.

and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Going Local Decentralization Democratization And The Promise Of Good Governance PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Going Local Decentralization Democratization And The Promise Of Good Governance free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Going Local Decentralization Democratization And The Promise Of Good Governance Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read

eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Going Local Decentralization Democratization And The Promise Of Good Governance is one of the best book in our library for free trial. We provide copy of Going Local Decentralization Democratization And The Promise Of Good Governance in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Going Local Decentralization Democratization And The Promise Of Good Governance. Where to download Going Local Decentralization Democratization And The Promise Of Good Governance online for free? Are you looking for Going Local Decentralization Democratization And The Promise Of Good Governance PDF? This is definitely going to save you time and cash in something you should think about.
