LUKE

I'll never join you!

VADER

If you only knew the power
of the dark side. Obi-Wan
never told you what happened
to your father.

LUKE

He told me enough! He told
me you killed him.

VADER

No. I am your father.

Shocked, Luke looks at Vader in utter
disbelief.

Luke I Am Your Father Script:

Felix Holt, the True Story P L Quinn, 2017-06-28 *Felix Holt the True Story* is a critical examination of *Felix Holt the Radical* 1866 by George Eliot. Since the novel's publication it has automatically been assumed that the fictional East Midlands market town of Treby Magna where the novel is set must be based upon the Nuneaton of George Eliot's childhood. However, this assumption has made the novel largely unreadable. Whilst Eliot's childhood and her earlier novels are informative towards the construction of *Felix Holt the Radical*, this study proposes that the Treby community is based upon the East Midlands market town of Leicester by far the oldest East Midlands community. It is also proposed that Eliot wanted to write a novel with a similar impact to *Cranford* by Elizabeth Gaskell 1851-1853 in which the community finally pulls together. Hence it is determined that Eliot wrote *Felix Holt the Radical* as a means of unifying the varying rifts of Christian eclecticism into her mode of Humanism.

Introducing Aesthetics and the Philosophy of Art Darren Hudson Hick, 2022-12-15
Aesthetics and the philosophy of art are about things in the world: things like the Mona Lisa but also things like horror movies, things like the ugliest dog in the world and things like wallpaper. There's a surprising amount of philosophical content to be found in wallpaper. Using a case-driven approach, *Introducing Aesthetics and the Philosophy of Art* is grounded in real-world examples that propel thought, debate and discussion about the nature of art and beauty. Now in its third edition, this tried and tested text features fresh cases and new activities. Hands-on Do Aesthetics activities pepper the text and Challenge Cases appear at the end of each chapter to test intuitions, to complicate the field of discussion and to set a path forward. Charlotte Perkins Gilman's *The Yellow Wall Paper* serves as a recurring case throughout and this edition includes the full text of this classic short story. From classical debates that continue to bother philosophers today to emerging problems of identity, appropriation and morality, this introduction is designed to engage you in a field that itself engages with so much of the world around you. Here is everything you need to know about the history, themes, thinkers and theories to get you started on aesthetics and the philosophy of art.

Blues Highway Carla D. Williams, 2022-08-14 *Blues Highway* is one migration story of Blacks from the American South, aided initially by the Pullman porters' broad reach into the world beyond. Moving on to the next generation, the porter Sidney sets up his daughter Janet to take hold of his barber shop. As she navigates her life, opportunities and social conditions shift. The power of Janet and Frank's relationship moves the saga forward, touching honestly and deeply on the forces of change. In the end, Janet's move to Atlanta illustrates the return of many African Americans to the New South, where an educated middle class finds success. *Blues Highway* reclaims the impact of Pullman porters in shaping the black migrations, filled with richness and truths, emotion, love, and loss. An early manuscript was recognized as a semi-finalist for the Inaugural Tuscarora Prize in historical fiction in 2019.
