Luke Annual Bible Study Guide:

Luke Annual Bible Study (Study Guide) Michael L. Ruffin, 2015-12-04 This study focuses on Jesus parables that are unique to the Gospel of Luke These parables are stories that according to Luke Jesus shared with his disciples as they accompanied him on the most crucial journey they ever took together the journey to Jerusalem There Jesus would die and there the disciples would learn of the true nature and cost of following him These stories in Luke's Gospel are pilgrimage parables They are parables for those on the way to being the people of God They are not places where we stop and stay they are rather places where we learn what we need to learn and from which equipped with Jesus directions we continue the journey But we will see that they are also places to which we repeatedly return Because it became Scripture Luke's Gospel functions for us as it has for generations of believers through the centuries as our guidebook while we try to find our own way in following Jesus Like Jesus first disciples and like Luke's original audience we want to follow Jesus in taking up our cross and laying down our life This Study Guide for the Smyth Helwys Annual Bible Study on Luke's parables serves three purposes to educate the learner on major issues of appropriate interpretation to offer an overview of theological themes and to build the learner's Bible study skills by reviewing significant interpretations Each session comes with thoughtful questions for reflection and discussion

Acts Annual Bible Study Judson Edwards, 2008-09 Studying Acts may make readers feel as though they are stepping into a different world a world of miracles a world where God is alive and moving and doing remarkable things How can that world intersect ours How can the old story of people speaking in tongues and raising the dead come alive in a world where no one speaks in tongues and the dead stay dead How can Acts be relevant to our lives and our church In Acts the people who believe in Jesus are filled with the Holy Spirit and set about the business of gathering a community They have to decide how wide their tent is going to be and whom they're going to embrace so they give themselves to the task of breaking down walls Jesus is not just for Jews they decide He's for everyone They launch out spreading the word Paul becomes the focal point of the story and he and his friends move about the ancient world telling all kinds of people the good news about Jesus and his resurrection But there is opposition and Paul is imprisoned He is faithful even there though taking a stand before the government authorities By the time the drama of Acts ends Paul might be confined but his message most assuredly is not The gospel has been unleashed throughout that entire part of the world Gathering a community Breaking down walls Spreading the word Taking a stand These four phrases organize this study of Acts and guide readers through a world alive with God and God's mighty deeds And all of us who have drunk too deeply at the wells of reason and rationality will once again pause to wonder and stand rapt in awe

Knight,2001-09-01 The four gospels woven into a single running narrative featured in HCSB translation **Christ-Centered** Robert P. Menzies,2020-10-05 Pentecostals are often portrayed as emotional people who are driven largely by experience In Christ Centered Menzies argues that this caricature misses the fact that Pentecostals are fundamentally people of the book Although Pentecostals encourage spiritual experience they do so with a constant eye to Scripture The Bible and particularly the book of Acts fosters and shapes pentecostal experience Additionally Pentecostals are defined by their emphasis on a personal relationship with Jesus Christ At its heart the pentecostal movement is not Spirit centered but rather Christ centered The work of the Spirit as Pentecostals understand it centers on exalting and bearing witness to the Lordship of Christ Menzies develops these themes by examining the origins biblical foundations and missional orientation of the modern pentecostal movement He concludes that in spite of contradictory messages from some in fundamentalist pews and the pentecostal academy Pentecostals are and have always been solidly evangelical **Mercer Commentary on the New Testament** Watson E. Mills,Richard F. Wilson,2004 This one volume commentary on the Old Testament including the Deuterocanonical literature is taken from the Mercer Commentary on the Bible Every book of the Old Testament receives full commentary treatment complete with an introduction and outline to each book followed by a commentary on each book This volume is the perfect tool for students and teachers in that it provides the essential information in understanding the text and its meaning As such it is deal for introductory courses on the Old Testament Hebrew Bible or for individual or group study *The Scripture Expositor; a New Commentary ... on the Holy Bible: in which Difficult Passages are Explained ... by Reference to the Labours of the Most Celebrated ...
