M F M Prayers Against Evil Foundation:

Deliverance from Evil Foundation Daniel K. Olukoya, **MFM at 30** Dr. D. K. Olukoya, 2019-09-18 In three glorious decades Mountain of Fire and Miracles Ministries has carved an indelible niche for itself among the comity of churches worldwide It has come to be known as a pacesetter church bestriding the firmaments of Christendom like a colossus The church's thirty years journey so far has been filled with landmark events phenomenal global expansion as well as unrivalled far reaching impacts on the body of Christ and mankind as a whole than any other church today The remarkable achievements enviable heights iconic status and positive global recognition that MFM enjoys today is attributable to the complete obedience unwavering faith in God and unusual steadfastness of its Founder and General Overseer Dr D K Olukoya the Elijah of our time and God's Generalissimo in the end times This book glorifies the Almighty God who has demonstrated His power to save to the uttermost It celebrates God's faithfulness in the life of Dr D K Olukoya the unusual outworking of His grace and power in MFM's three decades journey as well as the phenomenal achievements fire exploits and global spread of this unique church of God Glory be to the God that answers by fire Hallelujah Annual Review of the Sociology of Religion. Volume 4 (2013) , 2013-11-21 Prayer is a phenomenon which seems to be characteristic not only of participants in every religion but also men and women who do not identify with traditional religions It can be practised even by those who do not believe either in a God or transcendent force In this sense therefore we may assert that the prayer is a typically human activity that has accompanied the development of different civilizations over the course of the centuries Both the material issues of concrete daily life as well as more symbolic elements expressed through words gestures body positions and community celebration are brought together in the act of praying Pulling Down Foundational Jericho Dr. D. K. Olukoya, 2012 Pulling Down Foundational Jericho If you cut off the flower leaf branch or stem of a tree within a particular time frame the part cut off will regenerate This is because the root is still under the ground to supply enough materials for the regeneration of any part that has been cut off If on the other hand you pull out a tree along with the root the story will be over for that tree In the same vein if you can spiritually address and destroy the root of the problem you are facing then that is the end of the problem Learn to employ this tactic in this book **Dealing with unprofitable foundations** Dr. D. K. Olukoya, 2016-01-20 This book has been written so that the veil Satan has carefully woven over the faces of men would be removed Believers do not understand what salvation is all about not to talk of enjoying it Salvation includes deliverance for spiritual captives in the spirit One of Satan's best instruments against believers is ignorance Another reason this work was put together is to expose the subtle ways through which the devil has contaminated many lives thereby preventing them from realizing the purpose of God for their lives This book is a practical guide for anyone with the determination to experience the power in the name of Jesus Christ as the only name given unto man for salvation The Future Shape of Christian Proclamation Cleophus J. LaRue, Luiz C. Nascimento, 2020-08-03 Christianity is turning brown and moving south The

Christianity the West has known is in recession and has all but dwindled out of recognition in the opening years of the twenty first century Well over half of the world s Christians now live in the Global South Africa Asia and Latin America They are according to Aberdeen missiologist Andrew Walls the new Representative Christians What they think about Christianity will matter more and more and what North America thinks about Christianity will matter less and less This massive shift in geography and theological point of departure will have a major impact on Christian preaching now and into the future The Future Shape of Christian Proclamation seeks to begin the conversation about how preaching in the Global South will inform the whole of Christian preaching in the coming years **Women in Yoruba Religions** Oyèrónké Oládém?,2022-07-19

Uncovers the influence of Yoruba culture on women s religious lives and leadership in religions practiced by Yoruba people Women in Yoruba Religions examines the profound influence of Yoruba culture in Yoruba religion Christianity Islam and Afro Diasporic religions such as Santeria and Candombl placing gender relations in historical and social contexts While the coming of Christianity and Islam to Yorubaland has posed significant challenges to Yoruba gender relations by propagating patriarchal gender roles the resources within Yoruba culture have enabled women to contest the full acceptance of those new norms Oyeronke Olademo asserts that Yoruba women attain and wield agency in family and society through their economic and religious roles and Yoruba operate within a system of gender balance so that neither of the sexes can be subsumed in the other Olademo utilizes historical and phenomenological methods incorporating impressive data from interviews and participant observation showing how religion is at the core of Yoruba lived experiences and is intricately bound up in all sectors of daily life in Yorubaland and abroad in the diaspora *Battle Cry Compendium Volume 6* Dr. D.
