Half-truths & White Lies Jane Davis, 2009-04-09 When Tom Fellows proclaims that a Venn diagram is a far better way of illustrating modern family ties than a traditional tree his young daughter Andrea has no idea that he is referring to their own situation It is only when she loses both parents in a shocking car accident that she takes an interest in her own genealogy and begins to realize that her perfect upbringing was not all that it seemed Half truths White Lies is a beautifully crafted thought provoking novel that questions the influence of the people who are missing from our lives It examines the thin line between love and friendship looking at our complex emotional needs It also explores how one woman s life is dictated by her desire for children whilst another s is shaped by her decision not to have them
