## SUMMER

### Comic Book Writing

- You will need:
  - Summer story brainstorming and comic pages
  - Crayons, colored pencils, markers, etc.

**Instructions:**

- Show this example with your child. We got in the car to go to the pool as a family. After that, we got in the pool to swim and play. After a while, they blew the whistle to tell everyone to get out while were relaxing. Then when they blew the whistle again, we got back in the pool. When it was time to go, we got back in the car and drove home.
- Ask your child if they can think of their own summer stories that have lots of details. Just like the example, then ask your child what they know about the format of comics (such as in comic books or in the newspaper). Discuss this together (ie. Picture and Text).
- Tell the your child that they will be writing about their own summer stories... comic book style! They will need to think of a story that has several things that happened during their story. For their comic.
- Tell the children that first, they need to come up with their idea for their summer story comic. Have your child fill out the Stories of Summer Brainstorming graphic organizer worksheet. They should think of 2-3 ideas for their summer story and then choose one to focus on.
- Once they have chosen one, have your child complete their summer story comic using the comic book pages.
