Inc. Suzanne Leonard, 2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of battling for gender equality women have been freed from the necessity of securing a husband for economic stability sexual fulfillment or procreation Marriage is a choice and increasingly women and men are opting out Yet despite these changes the cultural power of marriage has burgeoned What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self discipline may win entry The newly exalted professionalized wife is no longer reliant on her husband s status or money instead she can wield her own power provided she can successfully manage the business of being a wife Wife Inc tells a fiercely contemporary story revealing that today s wives do not labor in kitchens or even homes Instead the work of wifedom occurs in online dating sites on reality television in social media and on the campaign trail Dating marital commitment and married life have been reconfigured No longer the stuff of marriage vows these realms are now controlled by brand management and marketability To prosper women must appear confident empowered and sexually savvy Guiding readers through the stages of the wife cycle Suzanne Leonard follows women as they date prepare to wed and toil as wives using examples from popular television film and literature as well as mass market news women s magazines new media and advice culture The first major study to focus on this new definition of working wives Wife Inc reveals how marriage occupies a newly professionalized role in the lives of American women Being a wife is a business that takes a lot more than a vow to maintain this book tells that story **Intimacy on the Internet** Lauren

Rosewarne, 2016-04-14 The focus of this book is on the media representations of the use of the Internet in seeking intimate connections be it a committed relationship a hook up or a community in which to dabble in fringe sexual practices Popular culture film narrative television the news media and advertising present two very distinct pictures of the use of the Internet as related to intimacy From news reports about victims of online dating to the presentation of the desperate and dateless the perverts and the deviants a distinct frame for the intimacy Internet connection is negativity In some examples however a

changing picture is emerging The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news resulting in more positive spin advertising and a more even handed presence of such liaisons in narrative television and film Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender sexuality technology and the changing mores regarding intimacy

Modern Manhood Cleo Stiller, 2019-11-12 Emmy and Peabody Award nominated health reporter Cleo Stiller's fun ny and informative collection of advice and perspectives about what it means to be a good guy in the era of MeToo Here are a few self evident truths Predatory men need to go sexual assault is wrong and women and men should be equal If you're a man and disagree with any of the aforementioned then this book isn't for you But if you agree you're probably one of the good guys That said you might also be feeling frustrated exasperated and perhaps even skeptical about the current national conversation surrounding MeToo among many other things You've likely found yourself in countless experiences or conversations lately where the situation feels gray at best You have a lot to say but you're afraid to say it and worried that one wrong move will land you in the hot seat From money and sex to dating and work and everything in between it can all be so confusing And when do we start talking about solutions instead of putting each other down In Modern Manhood reporter Cleo Stiller sheds light on all the gray areas out there using conversations that real men and women are having with their friends their dates their family and themselves Free of judgment preaching and sugarcoating Modern Manhood is engaging provocative and ultimately a great resource for gaining a deeper understanding of what it means to genuinely be a good man today

*Cyberbullies, Cyberactivists, Cyberpredators* Lauren Rosewarne, 2016-01-25 Written by an expert in media popular culture gender and sexuality this book surveys the common archetypes of Internet users from geeks nerds and gamers to hackers scammers and predators and assesses what these stereotypes reveal about our culture's attitudes regarding gender technology intimacy and identity The Internet has enabled an exponentially larger number of people individuals who are members of numerous and vastly different subgroups to be exposed to one other As a result instead of the simple jocks versus geeks paradigm of previous eras our society now has more detailed stereotypes of the undesirable the under the radar and the ostracized cyberpervs neckbeards goths tech nerds and anyone with a non heterosexual identity Each chapter of this book explores a different stereotype of the Internet user with key themes such as gender technophobia and sexuality explored with regard to that specific characterization of online users Author Lauren Rosewarne PhD supplies a highly interdisciplinary perspective that draws on research and theories from a range of fields psychology sociology and communications studies as well as feminist theory film theory political science and philosophy to analyze what these stereotypes mean in the context of broader social and cultural issues From cyberbullies to chronically masturbating porn addicts to desperate online daters readers will see the paradox in popular culture's message that while Internet use is universal actual Internet users are somehow subpar less desirable less cool less friendly than

everybody else      **Marriage and the Family** Julie Xuemei Hu, Shondrah Tarrezz Nash, 2019-04-23 Marriage and the Family Mirror of a Diverse Global Society is a comprehensive text about marriage and the family in sociology family science and diversity studies The book is divided into four parts studying marriage patterns and understanding family diversity developing and maintaining intimate relationships tackling family issues and managing household crises and appreciating contemporary living arrangements in a diverse American society and across the global community Marriage and the Family is unique in its focus on diversity as well as its global perspective Diversity Overview boxes feature vignettes of family diversity in America Global Overview boxes invite students to experience family life in different areas of the world Indeed families become a mirror that helps students see a diversifying American society and a globalizing world      Modern Romance Aziz Ansari, Eric Klinenberg, 2016-06-14 The 1 New York Times Bestseller An engaging look at the often head scratching frequently infuriating mating behaviors that shape our love lives Refinery 29 A hilarious thoughtful and in depth exploration of the pleasures and perils of modern romance from Aziz Ansari the star of Master of None and one of this generation s sharpest comedic voices At some point every one of us embarks on a journey to find love We meet people date get into and out of relationships all with the hope of finding someone with whom we share a deep connection This seems standard now but it s wildly different from what people did even just decades ago Single people today have more romantic options than at any point in human history With technology our abilities to connect with and sort through these options are staggering So why are so many people frustrated Some of our problems are unique to our time Why did this guy just text me an emoji of a pizza Should I go out with this girl even though she listed Combos as one of her favorite snack foods Combos My girlfriend just got a message from some dude named Nathan Who s Nathan Did he just send her a photo of his penis Should I check just to be sure But the transformation of our romantic lives can t be explained by technology alone In a short period of time the whole culture of finding love has changed dramatically A few decades ago people would find a decent person who lived in their neighborhood Their families would meet and after deciding neither party seemed like a murderer they would get married and soon have a kid all by the time they were twenty four Today people marry later than ever and spend years of their lives on a quest to find the perfect person a soul mate For years Aziz Ansari has been aiming his comic insight at modern romance but for Modern Romance the book he decided he needed to take things to another level He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita They analyzed behavioral data and surveys and created their own online research forum on Reddit which drew thousands of messages They enlisted the world s leading social scientists including Andrew Cherlin Eli Finkel Helen Fisher Sheena Iyengar Barry Schwartz Sherry Turkle and Robb Willer The result is unlike any social science or humor book we ve seen before In Modern Romance Ansari combines his irreverent humor with cutting edge social science to give us an unforgettable tour of our new romantic world      **Queering**

**Romantic Engagement in the Postal Age** Pamela VanHaitsma, 2019-09-18 2020 Winifred Bryan Horner Book Award Honorable Mention from the Coalition of Feminist Scholars in the History of Rhetoric and Composition Romantic letters are central to understanding queer history Debates about letters of romantic friendship however too often reduce them to unstudied expressions of heartfelt feeling In *Queering Romantic Engagement in the Postal Age* Pamela VanHaitsma shows how the genre should be understood as a learned form of rhetoric VanHaitsma argues that epistolary instruction in the nineteenth century United States shaped civic engagement in predictably heteronormative ways even as it opened up possibilities for queer rhetorical practices Her archival study draws on writings whose authors diverse by gender race class and education all developed ways of queering cultural norms and generic conventions in their same sex relationships VanHaitsma theorizes a new concept of rhetorical education for romantic engagement to account for the significant yet understudied role of such training in inventing both civic and romantic life *The Digital Mystique* Sarah Granger, 2014-08-26 The Digital Mystique is a comprehensive look at what digital media has done to our society and how to navigate this new digital age in a positive way *The Complete Idiot's Guide to Online Dating and Relating* Joe Schwartz, 1999 Category relationships dating covers online dating and communication Page 4 of cover *New Voices*, 2006 **American Book Publishing Record**, 2006 *Engines of Creation* Jonathan Blossom, 1995 Now programmers can learn the secrets of creating a real time interactive virtual reality walkthrough program on Macintosh This guide takes the reader through the complete development of Gossamer and shows how to use the Gossamer engine to journey and move about in 3D worlds *Forbes*, 2001 **The New York Times Magazine**, 2003 *Chicago Tribune Index*, 2006 **Milwaukee Magazine**, 2003-07 **Internet Cool Guide** Rula Razeq, 2000 The author has handpicked 600 of the coolest entertainment sites on the Net and rated them for content design and originality Fun and informative reviews reveal what's cool at each site and which plug in you'll need to enjoy the show 200 illustrations **Easy Internet** Joe Kraynak, 2002 Covers Internet connections the World Wide Web e mail newsgroups downloading files chat rooms Internet phone calls virtual meetings downloading files games and Web page design *Curve*, 2004-02
