Giglio, 2005 *Here's Looking at You Hollywood Film Politics* examines the tangled relationship between politics and Hollywood which manifests itself in celebrity involvement in political campaigns and elections and in the overt and covert political messages conveyed by Hollywood films The book's findings contradict the film industry's assertion that it is simply in the entertainment business and examines how while the majority of Hollywood films are strictly commercial ventures hundreds of movies ranging from *Birth of a Nation* to *Fahrenheit 9/11* do indeed contain political messages *Here's Looking at You* serves as a basic text for political film courses and as a supplement in American government and film studies courses and will also appeal to film buffs and people in the film industry *Here's Looking at You* Ernest Giglio, 2012-09 Now in its updated fourth edition Giglio examines how the tangled relationship between Hollywood's global film industry and the politics of federal and state governments manifests itself in the real world of political campaigns and in the fictional world of Hollywood films Included in this new volume President Obama's re-election new photos statistical data three new chapters and eight case studies **Encyclopedia of Politics, the Media, and Popular Culture** Tony Kelso, Brian Cogan, 2009-10-15 Whether it's television radio concerts live appearances by comedians Internet websites or even the political party conventions themselves the mixing of politics and popular culture is frequently on display *The Encyclopedia of Politics the Media and Popular Culture* examines the people major events media and controversies in eight thematic chapters and over 150 entries to provide an invaluable resource for any student scholar or everyday political junkie needing a comprehensive introduction to the subject On a typical weeknight in the United States millions shun the traditional evening network news broadcasts and instead later grab their remotes to turn to Comedy Central to catch up on the political happenings of the day delivered by the comedian Jon Stewart on the faux news program *The Daily Show* Immediately afterwards they might stay tuned to *The Colbert Report* for another dosage of hilarious fake news that to them comes across more honestly than the serious version they could watch on CNN Whether it's television radio concerts live appearances by comedians Internet
