Thirty years ago Alan Patrick and Guinevere the Trio became the best of friends while stealing from Checker s Casual Cafe the busiest restaurant in town But the trio didn t just take money what happened in 91 was no less than diabolical Cicadas attacked customers out of hand pranks collapsed the kitchen ceiling and the Phantom of the Restaurant brought havoc to the dining room all against a background of blaring eighties music Sharon Donovan the restaurant s general manager was literally ready to kill someone when police were finally called Fifteen years later Guinevere is mortally wounded in a horrific car accident As Alan and Patrick rush to her side her deathbed confession is chilling The worst thing about my depression is that it has a sense of humor In her dying breath Gwen asks Alan to take care of Stephanie her teenage daughter As you once took care of me when we all worked together at Checker s And as Steph brings back memories of the best time in his life Alan makes a very bad decision But karma is a bitch and Patrick s arrest on returning to his Nevada home makes national news His frantic cry for help sends Alan and Stephanie on a cross country trip where evidence reveals a disturbing connection between the Trio that began years before Checker s It s eerie how current events mirror those from decades ago and past and present stories play out side by side Without Alan s help Patrick will go to prison but as Sharon Donovan

learned the hard way it's often those you trust the most who blindside you with their behaviors No matter how far you run the past will always catch up with you And once it does it will serve a dish best cold *Indianapolis Monthly* ,1998-06
