HERO TALES AND LEGENDS OF THE RHINE LEWIS. SPENCE, 2018 *Hero Tales and Legends of the Rhine* Lewis Spence, 2022-09-16 In *Hero Tales and Legends of the Rhine* Lewis Spence embarks on an enthralling journey through the rich tapestry of Germanic mythology and folklore illuminating the grand narratives that have shaped the cultural landscape of the Rhine Valley Spence's literary style intertwines scholarly rigor with vivid storytelling bringing to life the heroic figures and legendary events that resonate with themes of courage love and sacrifice This collection not only serves as a compendium of tales but also reflects the Romantic era's fascination with national identity and the supernatural drawing from a wellspring of oral traditions and classical literature Lewis Spence was a celebrated author historian and folklorist known for his deep appreciation of mythology His engagement with the subject was likely influenced by his Scottish heritage and a profound interest in the narrative forms that shape cultural memory Spence's travels and studies enabled him to gather diverse folklore and legends ensuring that his interpretations resonate with authenticity and a keen understanding of regional nuances *Hero Tales and Legends of the Rhine* is an indispensable read for anyone intrigued by mythology German folklore or the heroic tradition Spence's rich narrative voice and scholarly insight invite readers to explore the formidable heroes and enchanting tales that have enthralled generations making this book a treasure trove for both casual readers and serious students of literature

Hero Tales & Legends of the Rhine Lewis Spence, 1933 *Hero Tales and Legends of the Rhine (Classic Reprint)* Lewis Spence, 2016-09-27 Excerpt from *Hero Tales and Legends of the Rhine* But it is not contended that because greater space and freedom of narrative scope than is usual has been taken by the author the volume would not prove itself an acceptable companion upon a voyage on Rhine waters undertaken in holiday times Of peace Indeed every attempt has been made so to arrange the legends that they will illustrate a Rhine journey from sea to source the manner in which the majority of visitors to Germany will make the voyage and to this end the tales have been marshalled in such form that a reader sitting on the deck of a Rhine steamer may be able to peruse the legends relating to the various localities in their proper order as he passes them There are included however several tales relating to places which cannot be viewed from the deck of a steamer but which may be visited at the cost of a short inland excursion These are such as from their celebrity could not be omitted from any work on the legends of Rhineland but they are few in number About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
