**Comprehensive Material** Our team compiles all the information that could be covered by your exam into this study guide so that you are properly prepared for any question Great for prep courses Practice Questions Test out your skills and evaluate your readiness The questions in our HESI practice tests are written as close as possible to the questions found in actual tests You re training with the pros Detailed Answer Explanations Every HESI practice test comes with an in depth answer key to help review more difficult material and avoid any confusion Nothing is worse than missing a question and not knowing why These explanations show you where you went wrong so that you can avoid making the same mistake on the actual test Get the expertise of APEX Test Prep on your side You don t want to miss out on this top notch preparation material Life is difficult but test prep doesn t have to be

**HESI A2 Study Guide** Spire Study System,HESI A2 Study Guide Team,2020-05-28 The only HESI A2 study guide based on the evidence based method of Cognitive Recall with a customizable study schedule Designed specifically for the HESI A2 Admission Assessment this study guide includes A customizable plan to fit your unique study schedule 2 FULL practice tests with guided answer explanations 300 total practice and example questions Concise coverage of all domains and topics including review items

**WHAT IS COGNITIVE RECALL** Cognitive Recall is the science of implementing the optimal space of time between learning something then reviewing it and later quizzing yourself on it Scientists say studying effectively is not a function of how long or how often you study it s the order schedule and timing of your studies Traditional study guides tend to be nothing more than extended versions of repeated cram sessions which is neither efficient or effective Cramming is the opposite of Cognitive Recall learning evidenced by the extremely short lived benefits The memories from a cram session have been shown to fade away after only a few hours That s not an option if you are serious about passing the HESI

**CUSTOMIZED STUDY SCHEDULE** Designed around the ideal timeframe of 30 days our system can be easily extended or reduced to fit your specific schedule and test date This HESI A2 Guide has the functionality of a customizable calendar telling you not only what to focus on but when to focus on it
