The Hidden Heritage of Diaspora Judaism Leonard Victor Rutgers, 1998 A collection of essays published previously Ch 8 pp 171 197 Roman Policy towards the Jews Expulsions from the City of Rome during the First Century C E first appeared in Classical Antiquity 13 1994 The present version contains an appendix Review of Botermann s Judenedikt der Kaisers Claudius 1996 pp 191 197

The Holocaust, Israel and 'the Jew' Evelien Gans, Remco Ensel, 2025-10-01 This book is the first comprehensive study of postwar antisemitism in the Netherlands It focuses on the way stereotypes are passed on from one decade to the next as reflected in public debates the mass media protests and commemorations and everyday interactions The Holocaust Israel and the Jew explores the ways in which old stories and phrases relating to the stereotypical Jew are recycled and modified for new uses linking the antisemitism of the early postwar years to its enduring manifestations in today s world The Dutch case is interesting because of the apparent contrast between the Netherlands famous tradition of tolerance and the large numbers of Jews who were deported and murdered in the Second World War The book sheds light on the dark side of this so called Dutch paradox in manifestations of aversion and guilt after 1945 In this context the abusive taunt They forgot to gas you can be seen as the first radical expression of postwar antisemitism as well as an indication of how the Holocaust came to be turned against the Jews The identification of the Jew with the gas chamber spread from the streets to football stadiums and from verbal abuse to pamphlet and protest The slogan Hamas Hamas all the Jews to the gas indicates that Israel became a second marker of postwar antisemitism The chapters cover themes including soccer related antisemitism Jewish responses philosemitism antisemitism in Dutch Moroccan and Dutch Turkish communities contentious acts of remembrance the neo Nazi tradition and the legacy of Theo van Gogh The book concludes with a lengthy epilogue on the Jew in the politics of the radical right the attacks in Paris in 2015 and the refugee crisis The stereotype of the Jew appears to be transferable to other minorities
