Het Weerzien Animorphs Het Weerzien:

The Predator Katherine Applegate, 2011 Marco has never wanted to be an Animorph but the Yeerks are about to do something that will change his mind *Brinkman's cumulatieve catalogus van boeken*, 1999 Voorts een alfabetische lijst van Nederlandsche boeken in België uitgegeven **The Predator** K. A. Applegate, 1996 Resenting his Animorph powers Marco prefers to watch over his widower father until he learns that his mother is still alive and he is horrified to discover that she is the highest ranking officer in the Yeerk army Original **Brinkman's Cumulatieve catalogus van boeken de in Nederland en vlaanderen zijn uitgegeven of herdrukke**, 1998 *The Predator* K. A. Applegate, 1996 Sometimes weird things happen Just ask Cassie Jake Marco Rachel and Tobias One night they spot a strange light in the sky Soon they are face to face with an alien from another planet who informs them that the Earth is being invaded by evil Yeerks and gives them a special power to fight back the ability to morph into any animal they desire It is now up to them to save the planet Text copyright 2004 Lectorum Publications Inc *Boekblad*, 2000 **The Predator** K. A. Applegate, 1994 **Predators**, 2015

The Return (Animorphs #48) K. A. Applegate, 2017-09-26 David the traitorous Animorph is back When the Animorphs decided to give another human being the power to morph it was one of their biggest mistakes David tried to destroy them all and almost succeeded Rachel and the others thought they'd seen the last of him when they trapped David as a nothlit leaving him on a deserted island to live out his days as a rat They were wrong Rachel knows what a threat David is He's cunning and dangerous Worst of all he knows their secrets Now he's captured Rachel as part of his plan David wants power He wants money But more than anything he wants revenge **The Exposed (Animorphs #27)** K. A. Applegate, 2017-07-25 The Animorphs have one true ally in their battle against the Yeerks the sentient androids known as the Chee So when they discover that the Chee including their friend Erek are in trouble they have no choice but to help But the Chee's problem is much deeper than anything the kids could have imagined It's hidden in the ocean So far down that no human has ever travelled there and survived The Animorphs realize what will happen if Visser Three discovers the valuable secrets of the Chee One of which is the existence of the Animorphs **The Solution (Animorphs #22)** K. A. Applegate, 2017-07-25 David the newest Animorph is not what he appears His need to control the other Animorphs is all he thinks about And the things he does are starting to break up the group Rachel and the others know that time is running out The newest battle against the Yeerks is the most important one yet And it's not one that will wait Winning this fight could mean slowing down the invasion But no one knows what to do with David Because the newest Animorph is more than just a little problem He's deadly *The Departure (Animorphs #19)* K. A. Applegate, 2017-06-27 Cassie's had it After the last mission she realizes she's getting tired of missions Tired of battles Tired of being an Animorph She decides that she just can't do it anymore So she quits But the war for her planet isn't so easy to quit It seems a human Controller named Karen followed Cassie after the last run in with the Yeerks and she knows Cassie has the ability to morph If she exposes Cassie it's all over No more Cassie No more Animorphs

No more planet Earth **The Reunion (Animorphs #30)** K. A. Applegate, 2017-07-25 Marco's mom is back But she's not Visser One anymore Marco's not even sure if she's still a Controller but he's determined to find out No matter what it takes No matter what might happen Marco wants his mom back Jake and the other Animorphs realize that Marco is under some serious stress And that the situation with his mom could very well jeopardize everything they've worked for Now they also have to wonder if Marco will be the one to give away the secret of the Animorphs **The Forgotten (Animorphs #11)** K. A. Applegate, 2017-06-27 There's been an accident Someone crash landed a Yeerk Bug fighter and the Yeerks have been trying to cover it up quickly When Tobias spots it before they get the chance the Animorphs decide to steal the ship to show the world that Earth has been invaded That's when things go terribly wrong Before they know it Jake and the other Animorphs find themselves in another place Another time And there's no way home The Reaction (Animorphs #12) K. A. Applegate, 2017-06-27 Rachel's got some pretty strange stuff happening She can't control her morphing One minute she's doing homework The next she's morphing a full grown crocodile and without returning to human form she becomes an elephant That's when the floor gives way and Rachel finds herself looking up at what used to be the kitchen ceiling What's going on No one's sure but Rachel and the other Animorphs have to figure it out quickly Because if someone sees Rachel's out of control morphing the other Animorphs are in for some serious trouble **The Escape (Animorphs #15)** K. A. Applegate, 2017-06-27 Almost nothing could be as bad as finding out your mother is Visser One the most powerful leader of the Yeerk invasion of Earth But it happened to Marco And even though he's been handling it pretty well he knew there'd come a time when he'd have to face her again knowing that the Yeerk in her brain has taken his mother away So when Marco and the other Animorphs discover that Visser One is overseeing a secret underwater project they know they have to check it out But Marco's not sure if this is a battle he'll be able to fight **The Journey (Animorphs #42)** K. A. Applegate, 2017-08-29 Sometimes your worst problems are the ones you can't actually see Like the Helmacrons These less than an inch high aliens are back and they want the morphing cube more than ever Obviously Rachel and the other Animorphs can't let them take the cube But when Rachel tries to stop the Helmacrons from stealing it Marco gets in the way and ends up with tiny aliens well up his nose Rachel and the others can't let the Helmacrons stay inside Marco's head They're armed and could cause serious damage So the Animorphs come up with a plan to evict the Helmacrons from their new residence But it involves a shrinking ray and the obvious Marco's nose **The Diversion (Animorphs #49)** K. A. Applegate, 2017-09-26 The Yeerks are finally starting to realize that the Andalite bandits are probably not aliens at all That maybe they've been dealing with humans all along And no one especially the newly appointed Visser One is happy about this revelation When Tobias and the other Animorphs realize that the Yeerks are about to find them it's by accident But that doesn't make the discovery any less serious Because in a war one side wins and one side loses The Pretender (Animorphs #23) K. A. Applegate, 2017-07-25 Someone's looking for Tobias Someone who says she's his long lost cousin Tobias isn't sure

the person is telling the truth but she's really nice and knows a lot about him And what she tells Tobias definitely gets his attention It seems a lawyer has discovered Tobias's father's last will and testament So Tobias needs to attend the reading His cousin even offers to go along But something just doesn't feel quite right That's when Tobias and the other Animorphs decide to do a little checking on this cousin And what they discover will change the rest of Tobias's life **Animorphs** Katherine Applegate, 2000
