Herge Y Los Bigotudos:

Hergé y los bigotudos : la novela de una aventura Philippe Goddin, 1992-04-06 **The Comics of Hergé** Joe Sutcliff Sanders, 2016-07-28 Contributions by J nathas Miranda de Ara jo Guillaume de Syon Hugo Frey Kenan Ko ak Andrei Molotiu Annick Pellegrin Benjamin Picado Vanessa Meikle Schulman Matthew Screech and Gwen Athene Tarbox As the creator of Tintin Herg 1907 1983 remains one of the most important and influential figures in the history of comics When Herg born Georges Prosper Remi in Belgium emerged from the controversy surrounding his actions after World War II his most famous work leapt to international fame and set the standard for European comics While his style popularized what became known as the clear line in cartooning this edited volume shows how his life and art turned out much more complicated than his method The book opens with Herg s aesthetic techniques including analyses of his efforts to comprehend and represent absence and the rhythm of mundaneness between panels of action Broad views of his career describe how Herg navigated changing ideas of air travel while precise accounts of his life during Nazi occupation explain how the demands of the occupied press transformed his understanding of what a comics page could do The next section considers a subject with which Herg was himself consumed the fraught lines between high and low art By reading the late masterpieces of the Tintin series these chapters situate his artistic legacy A final section considers how the clear line style has been reinterpreted around the world from contemporary Francophone writers to a Chinese American cartoonist and on to Turkey where Tintin has been reinvented into something meaningful to an audience Herg probably never anticipated Despite the attention already devoted to Herg no multi author critical treatment of his work exists in English the majority of the scholarship being in French With contributors from five continents drawing on a variety of critical methods this volume s range will shape the study of Herg for many years to come **Herge: The Man Who Created Tintin** Pierre Assouline, 2009-10-29 One of the most beloved characters in all of comics Tintin won an enormous international following Translated into dozens of languages Tintin s adventures have sold millions of copies and Steven Spielberg is presently adapting the stories for the big screen Yet despite Tintin s enduring popularity Americans know almost nothing about his gifted creator Georges Remi better known as Herg Offering a captivating portrait of a man who revolutionized the art of comics this is the first full biography of Herg available for an English speaking audience Born in Brussels in 1907 Herg began his career as a cub reporter a profession he gave to his teenaged world traveling hero But whereas Tintin was fully formed clear headed and positive Assouline notes his inventor was complex contradictory inscrutable For all his huge success achieved with almost no formal training Herg would say unassumingly of his art I was just happy drawing little guys that s all Granted unprecedented access to thousands of the cartoonist s unpublished letters Assouline gets behind the genial public mask to take full measure of Herg s life and art and the fascinating ways in which the two intertwine Neither sugarcoating nor sensationalizing his subject he meticulously probes such controversial issues as Herg s support for Belgian imperialism in the Congo and his alleged collaboration with

the Nazis He also analyzes the underpinnings of Tintin how the conception of the character as an asexual adventurer reflected Herg's appreciation for the Boy Scouts organization as well as his Catholic mentor's anti Soviet ideology and relates the comic strip to Herg's own place within the Belgian middle class A profound influence on a generation of artists such as Andy Warhol and Roy Lichtenstein the elusive figure of Herg comes to life in this illuminating biography a deeply nuanced account that unveils the man and his career as never before Hergé, Son of Tintin Benoit Peeters, 2012 Author of the critically acclaimed Tintin and the World of Hergé and the last person to interview Remi Benoit Peeters tells the complete story behind Herg's origins and shows how and why the nom de plume grew into a larger than Remi personality as Tintin's popularity exploded Drawing on interviews and using recently uncovered primary sources for the first time Peeters reveals Remi as a neurotic man who sought to escape the troubles of his past by allowing Herg's identity to subsume his own As Tintin adventured Herg lived out a romanticized version of life for Remi Jacket **Tintín-Hergé** Fernando Castillo Cáceres, 2011-10-30 La historia del siglo XX se refleja de forma admirable en los veinticuatro libros de Tintín minuciosamente estudiados y analizados por Fernando Castillo en esta luminosa monografía al mismo tiempo que da pormenorizada cuenta de la biografía de su creador Georges Remi 1907-1983 Tintín Hergé una vida del siglo XX no es solo el fruto de un riguroso investigador sino el singular homenaje de un apasionado admirador de Tintín y de la línea clara L'ultime album d'Hergé Ludwig Schuurman, 2001 **Hergé et l'énigme du pôle** Paul-Georges Sansonetti, 2020-09-14 Et si les albums d'Hergé taient entièrement codés Et si ce codage concernait le plus grand secret de l'histoire de l'humanité Et si durant des millénaires un tel secret avait incorporé des monuments pyramides temples cathédrales transcrit par des mythes et tout un légendaire comme le Graal et rendu indissociable du processus alchimique On pourrait ajouter qu'il a constitué le cœur d'organisations chevaleresques ou de sociétés initiatiques dont la mystérieuse Anglique galemment appelle du Brouillard Aux dires de certaines personnes le père de Tintin arpente ses sentiers Semblable la boussole pareille nigme indique toujours le P le o en des temps lointains aurait existé un Centre suprême Ce lieu de lumière désormais inaccessible attend l'avènement d'une renaissance La révélation progressive du secret en question est dissimulé dans les aventures de Tintin Mais cela nécessite de découvrir ce que représente notre jeune homme et les personnages qu'il rencontre Car Haddock ne serait-il qu'un ivrogne et Tournesol un savant génial Et travers l'opéra de Gounod la Castafiore a-t-elle pour mission de délivrer un message crucial quant à l'avenir des peuples Le présent livre propose des clefs de lecture et de décodage répondant aux multiples interrogations que suscite l'œuvre d'Hergé initiée du P lican d'Or avec Edgar P Jacobs Illustrations N B The Clear Line in Comics and Cinema David Pinho Barros, 2022-06-30 Historical and theoretical analysis of the clear line style in comics and cinema The clear line a term coined in 1977 by Dutch essayist and artist Joost Swarte has become shorthand in the field of comics studies for the style originally developed by Hergé and the école de Bruxelles It refers to certain storytelling strategies that generate a deceptively simple lucid and hygienic narration in Philippe Marion's words it is a style made out of light fluidity and limpid

clarity By cataloguing and critically analysing clear line comics from historical and theoretical perspectives this book offers a new outlook on the development of the style in the 20th and 21st centuries especially focused on the context of the European bande dessinée In addition it pioneeringly expands the concept of clear line to other artistic domains by introducing and defending its transmedial use which is particularly relevant for the understanding of the oeuvres of certain filmmakers of the 20th century working in the postwar period such as Yasujiro Ozu in Japan Jacques Tati in France and Frank Tashlin in the United States The Clear Line in Comics and Cinema is therefore a key theoretical work for both bande dessinée enthusiasts and comics scholars as well as a fundamental contribution to present day film studies and transmedial narratology **The**
