Herinneringen Aan De Unie Waarin We Ons Thuis Voelden:

The Dividing Line Between Success and Failure Gerrit Voermann, 2006 Since the Second World War liberalism has been much stronger in the Netherlands than in Germany The present volume compares the development of liberalism in both countries which took place under quite different conditions and without much mutual interaction from the early beginnings in the nineteenth century down to the twenty first century It tries to explain why Dutch liberals are nowadays doing better than their German counterparts
