strength and assurance in this inspiring collection      **Feminism for the Americas** Katherine M. Marino, 2019-02-05 This book chronicles the dawn of the global movement for women's rights in the first decades of the twentieth century. The founding mothers of this movement were not based primarily in the United States, however, or in Europe. Instead, Katherine M. Marino introduces readers to a cast of remarkable Latin American and Caribbean women whose deep friendships and intense rivalries forged global feminism out of an era of imperialism, racism, and fascism. Six dynamic activists form the heart of this story: from Brazil, Bertha Lutz; from Cuba, Ofelia Domínguez Navarro; from Uruguay, Paulina Luisi; from Panama, Clara González; from Chile, Marta Vergara; and from the United States, Doris Stevens. This Pan American network drove a transnational movement that advocated women's suffrage, equal pay for equal work, maternity rights, and broader self-determination. Their painstaking efforts led to the enshrinement of women's rights in the United Nations Charter and the development of a framework for international human rights. But their work also revealed deep divides with Latin American activists overcoming U.S. presumptions to feminist superiority. As Marino shows, these early fractures continue to influence divisions among today's activists along class, racial, and national lines. Marino's multinational and multilingual research yields a new narrative for the creation of global feminism. The leading women introduced here were forerunners in understanding the power relations at the heart of international affairs. Their drive to enshrine fundamental rights for women, children, and all people of the world stands as a testament to what can be accomplished when global thinking meets local action.

**Heritage of Light** Janet A. Khan, 2009 A new and fascinating examination of a religious community and a penetrating look at the spiritual destiny of America. *Heritage of Light* is an accessible description of the American Bahá'í community and a penetrating look at the spiritual destiny of America. This exploration traces the historical and spiritual connections that link the American Bahá'ís with the early Bahá'ís of Iran who displayed an unparalleled staunchness of faith and heroism in the face of unspeakable brutal persecution and oppression. The author's examination of the writings of the Bahá'í Faith, along with extensive historical and archival records, demonstrates the unique role assigned to the American Bahá'ís and to the American nation as a whole in the development of a unified global society and the eventual inauguration of a world civilization.

**Ritual America** Craig Heimbichner, Adam Parfrey, 2012-03-06 Adam Parfrey is one of the nation's most provocative publishers. *Seattle Weekly* Secret society historian Craig Heimbichner follows the Middle Path to wisdom. He works the graveyard shift in the secret lodge. Joan d'Arc Paranoia magazine. Secret societies, now a staple of bestseller novels, are pictured as sinister cults that use hooded albinos to menace truth seekers. Some conspiracy books claim that fraternal orders are the work of serpentine aliens and interbred humans who wish to supplant earth of its energy and later its very existence. On the other side of the aisle, books by high-ranked Freemasons, skeptical in tone but no less partisan in approach, protect their organization's public image by denying the existence of its most contentious ideas. *Ritual America* reveals the biggest secret of them all: that the influence of fraternal brotherhoods on this country is vast, fundamental, and hidden in plain view. In the early twentieth century, as many

as one third of America belonged to a secret society And though fezzes and tiny car parades are almost a thing of the past the Gnostic beliefs of Masonic orders are now so much a part of the American mind that the surrounding pomp and circumstance has become faintly unnecessary The authors of *Ritual America* contextualize hundreds of rare and many never before printed images with entertaining and far reaching commentary making an esoteric subject provocative exciting and approachable Adam Parfrey is the author of *Cult Rapture Revelations of the Apocalyptic Mind* and *It's a Man's World Men's Adventure Magazines the Postwar Pulp* He is editor of the influential *Apocalypse Culture* series *Love Sex Fear Death The Inside Story of the Process Church of the Final Judgment* Craig Heimbichner has recently appeared on a National Geographic documentary about the Bohemian Grove contributed to the *Feral House* compilation *Secret and Suppressed II* and wrote about the famous occult order the O T O in *Blood and Altar*
