Hermosa Beach Ca Postcard History Series:

Hermosa Beach Chris Ann Miller, Jerry Roberts, 2007 Unlike most Los Angeles County beach communities the City of Hermosa Beach owns its own beach But perhaps more than most coastal Southern California destination cities Hermosa Beach represents shared experience detailed on thousands of postcards over the decades This greater square mile of sand surf and sun has conjured cherished memories for fishermen surfers and volleyball players as well as jazz fans diners and tavern celebrants and simply lovers of the beach who found lifelong or short term happiness in Hermosa These postcards recall many bygone landmarks and changing lifestyles and celebrate the Hermosa Beach century 1907 2007 **The South Bay** James Osborne, Marilyn Ron, Jerry Roberts, 2009 Los Angeles County s South Bay is referenced by the lower arc of Santa Monica Bay and includes the communities between El Segundo on the north and Palos Verdes Peninsula on the south eastward to the Long Beach border Roughly defined over the years as the coverage area of the Daily Breeze newspaper as well as the confines of the South Bay Council of Governments the South Bay always has been much more than the beautiful coastlines of Manhattan Hermosa and Redondo Beaches as seen in these vintage postcards It was as it is today also the residential and workaday worlds of Torrance Hawthorne Lawndale Inglewood Gardena Lomita Carson and the Los Angeles Harbor communities Black Newspapers Index ,2006 The Publishers Weekly ,1994 **Sports Afield** ,1947

Billboard ,1954-04-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Santa Monica in Vintage Postcards Marlin L. Heckman,2002 Santa Monica was founded in 1875 and by 1887 the area was caught up in the real estate frenzy of the time with advertisements suggesting that it had one of the grandest panoramic views the human eye has ever rested on In over 200 vintage postcards here is Santa Monica in all its coastal splendor including views of the bathing beaches the Roosevelt Highway and private citizens beautiful Chinese Gardens **Long Beach in Vintage Postcards** Marlin Heckman,2000 Long Beach successfully incorporated as a city in 1888 and would eventually become California s fifth largest city Author Marlin Heckman has compiled over 200 vintage postcards to chronicle the history of the Queen of Beaches Competition between the Santa Fe and Southern Pacific Railroads brought great numbers of visitors to Southern California at the turn of the century Resort hotels apartments pavilions and band shells quickly dotted the landscape to accommodate the massive influx of tourists Seen here are the more famous Long Beach attractions including Rainbow Pier the Sun Pavilion the Hotel del Mar and the great Walk of a Thousand Lights or the Pike as it was better known The American Philatelist ,1980 **Cars & Parts** ,2000 **Who's who in Entertainment** ,1989 *Michigan Living - Motor News* ,1972 *Subject Guide to Books in Print* ,1997 San Luis Obispo and Cal Poly in Vintage Postcards Thomas Maxwell-Long,2001-03-14 Along the California coastline lies the community of San Luis Obispo a town just as rich in history

as it is in beauty Situated almost directly between Los Angeles and San Francisco San Luis Obispo was first inhabited by the Chumash and Salinan Indians in 1400 B C It took almost 3 000 years before its majestic landscape was encountered by European explorers

Riverside in Vintage Postcards Steve Lech,2005 Riverside has been a vital center of agriculture and government throughout the growth of Southern California Postcards sent from this city to those far away usually depict it as a resort situated on the western edge of the Colorado Desert where the historic Mission Inn has been a vacation destination for generations Illustrating many facets of this world renowned garden like gathering spot these attractive images also showcase Riverside s Main Street public buildings parks broad avenues the sharply rising Mt Rubidoux on the edge of town and the influence of the citrus industry DAV ,1982

Santa Catalina Island in Vintage Postcards Marlin L. Heckman,2001 From an abolitionist hotbed to the home of a prestigious liberal arts college Grinnell Iowa is known across the country as a jewel of the prairie Originally conceived as a Congregationalist utopia Grinnell developed a reputation as a highly educated community with a wealth of incredible architecture It was also a turn of the century industrial hub despite a population of less than 5 000 where buggies early automobiles and gloves were made The historic postcards in this book recall a community on the verge of transition from a small agriculture based town on the prairie to a thriving center of commerce and higher education They provide a remarkable glimpse of the buildings that make up what is now a Historic Commercial District on the National Register of Historic Places Still others are visual reminders of great buildings both in the community and on the Grinnell College campus that now exist only in memory

Huntington Beach Marvin Carlberg,Chris Epting,2009 For more than 100 years Huntington Beach has been a scenic haven for locals and tourists alike Huntington Beach has also been the subject of many postcards After all Surf City USA is a wonderfully picturesque place Compelling printed images of the famous pier downtown the parks people agriculture and businesses became some of the city s most popular souvenirs Postcards such as these evoke the magic of long gone summers wistful nostalgic glimpses of a classic Southern California beach city and they are just as lovely today as they were decades ago

San Pedro Bay Joe McKinzie,2005-11-30 The name San Pedro Bay meant Los Angeles Harbor through the 20th century but the vestiges of that original rustic fishing villagelike identity still cling to the port community that through its proximity to the city of Los Angeles grew into one of the worlds largest centers of importing and exporting The bay has served commercial fishermen the U S Army Navy Marine Corps and Coast Guard the sailing yachts of the very wealthy and the dinghies of the disenfranchised Today tugboats guide gargantuan oceangoing cargo ships under the towering gantry cranes for off loading and enormous cruise ships call the Port of Los Angeles home

Lordsburg/La Verne Marlin L. Heckman,1999 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of

local children only too happy to pose for a picture These images printed as postcards and sold in general stores across the country survive as telling reminders of an important era in America s history This fascinating history of Lordsburg and La Verne California showcases more than 200 of the best vintage postcards available
