*The Saigon Sisters* Patricia D. Norland, 2020-07-15 The Saigon Sisters offers the narratives of a group of privileged women who were immersed in a French lycée and later rebelled and fought for independence starting with France's occupation of Vietnam and continuing through US involvement and life after war ends in 1975 Tracing the lives of nine women The Saigon Sisters reveals these women's stories as they forsook safety and comfort to struggle for independence and describes how they adapted to life in the jungle whether facing bombing raids malaria deadly snakes or other trials How did they juggle double lives working for the resistance in Saigon How could they endure having to rely on family members to raise their own children Why after being sent to study abroad by anxious parents did several women choose to return to serve their country How could they bear open ended separation from their husbands How did they cope with sending their

children to villages to escape the bombings of Hanoi In spite of the maelstrom of war how did they forge careers And how in spite of dislocation and distrust following the end of the war in 1975 did these women find each other and rekindle their friendships Patricia D Norland answers these questions and more in this powerful and personal approach to history
