Hers Thomas S. Roche, Alison Tyler, 2003-01 **A Humor Reader: Short Stories From New Voices** R. L. Saunders, C. C. Brower, J. R. Kruze, 2018-09-03 If laughter is the best medicine then reading humorous short stories should be the best practice to maintain your health These three authors with their six stories have written stories that both poke fun at the sacrosanct and also skewer them for dissection as both pompous and ripe From the ranks of Voltaire Twain and Vonnegut these new voices have something to say about how our current culture and what they consider serious You may find yourself irritated incensed or having a laugh outloud moment as you read along into the imaginative worlds these authors create You may find yourself expecting to see someone just waiting in the shadows for you to get the punchline expect that author s spirit as you read their works PS You have their permission to roll on the floor with delight in private of course Get Your Copy Now **A Mind's Eye Reader: Short Stories From New Voices** J. R. Kruze, S. H. Marpel, R. L. Saunders, 2018-09-03 Have you ever thought some very dangeous thoughts Ones that could destroy all life as you knew it In these six stories by three authors they do just that Of course fiction is safer than real life so it s much easier to test things here Or so we ve been told In these stories are ideas that will captivate and excite you to new thoughts and ideas of your own Because the universe we live in is just a hair s breadth away from the fictional ones we create If history is any judge these authors may be writing are things that will be in our own present any time now Of course that s only if you think their thoughts through Get Your Copy Now **The Play List ...** , 1923 *Designing Women* Tita Chico, 2005 Drawing on extensive archival research Chico argues that the dressing room embodies contradictory connotations linked to the eroticism and theatricality of the playhouse tiring room as well as to the learning and privilege of the gentleman s closet [A Legacy of Strength - My Story on Paper](#) Sandi Young, 2025-02-21 International Best Selling and 1 U S Best Seller Family and Conflict Resolution category Sandi s life began with a loving two parent home and then in the blink of an eye everything changed Her life would never be the same The grief she felt from multiple childhood losses was never addressed Instead this young girl buried her own pain within and took on internalizing the grief of the adults around her Because Sandi was never given proper coping skills she created her own Many years later though while still young and naive someone came along to fill the void she felt in a most unhealthy way Unfortunately more hurt loss and grief occurred which resulted in the course of her life changing once again Two major life traumas had occurred before she was a young adult Somehow Sandi persevered and her instincts of protection kicked in Then she was forced to make the most difficult decision of her life Somehow Sandi didn t succumb to what could ve easily become a life of depression addiction and other self sabotaging choices Something within her something she inherited from the legacy of women before her something or someone made her use her inner strength to go forward All the childhood traumas Sandi experienced didn t break her instead they deepened her inner strength her perseverance and her resiliency
