Print and Public Politics in the English Revolution Jason Peacey, 2013-11-14 This is a major reassessment of the communications revolution of the seventeenth century Using a wealth of archival evidence and the considerable output of the press Jason Peacey demonstrates how new media from ballads to pamphlets and newspapers transformed the English public's ability to understand and participate in national political life He analyses how contemporaries responded to political events as consumers of print explores what they

were able to learn about national politics and examines how they developed the ability to appropriate a variety of print genres in order to participate in novel ways Amid structural change and conjunctural upheaval he argues that there occurred a dramatic re shaping of the political nation as citizens from all walks of life developed new habits and practices for engaging in daily political life and for protecting and advancing their interests This ultimately involved experience led attempts to rethink the nature of representation and accountability

Gangraena and the Struggle for the English Revolution Ann Hughes,2004-09-23 This is the first comprehensive study of Gangraena an intemperate anti sectarian polemic written by a London Presbyterian Thomas Edwards and published in three parts in 1646 These books which bitterly opposed any moves to religious toleration were the most notorious and widely debated texts in a Revolution in which print was crucial to political mobilization They have been equally important to later scholars who have continued the lively debate over the value of Gangraena as a source for the ideas and movements its author condemned This study includes a thorough assessment of the usefulness of Edwards s work as a historical source but goes beyond this to provide a wide ranging discussion of the importance of Gangraena in its own right as a lively work of propaganda crucial to Presbyterian campaigning in the mid 1640s Contemporary and later readings of this complex text are traced through a variety of methods literary and historical with discussions of printed responses annotations and citation Hughes s work thus provides a vivid and convincing picture of revolutionary London and a reappraisal of the nature of 1640s Presbyterianism too often dismissed as conservative Drawing on the newer histories of the book and of reading Hughes explores the influence of Edwards s distasteful but compelling book
