Joy, 1956 Het Afrika van Albert Schweitzer /door C.R. Joy, M. Arnold C.R. Joy, 1949 **Africa of Albert Schweitzer, by C.R. Joy & M. Arnold** C. R. Joy, 1949 *Albert Schweitzer* Patricia Lantier, James Bentley, 1991

Examines the life of the humanitarian who pursued medical missionary work in the jungles of Africa while developing his spiritual beliefs about the value of all life Decolonising Imperial Heroes Max Jones, Berny Sèbe, Bertrand Taithe, Peter Yeandle, 2017-10-02

The heroes of the British and French empires stood at the vanguard of the vibrant cultures of imperialism that emerged in Europe in the second half of the nineteenth century Their stories are well known Scholars have tended to assume that figures such as Livingstone and Gordon or Marchand and Brazza vanished rapidly at the end of empire Yet imperial heroes did not disappear after 1945 as British and French flags were lowered around the world On the contrary their reputations underwent a variety of metamorphoses in both the former metropolises and the former colonies This book develops a framework to understand the complex legacies of decolonisation both political and cultural through the case study of imperial heroes We demonstrate that the decolonisation of imperial heroes was a much more complex and protracted process than the political retreat from empire and that it is still an ongoing phenomenon even half a century after the world has ceased to be painted in red Whilst *Decolonising Imperial Heroes* explores the appeal of the explorers humanitarians and missionaries whose stories could be told without reference to violence against colonized peoples it also analyses the persistence of imperial heroes as sites of political dispute in the former metropolises Demonstrating that the work of remembrance was increasingly carried out by diverse fragmented groups of non state actors in a process we call the privatisation of heroes the book reveals the surprising rejuvenation of imperial heroes in former colonies both in nation building narratives and as heritage sites This book was originally published as a special issue of the *Journal of Imperial and Commonwealth History* Met dokter Albert Schweitzer naar tropisch Afrika Gjalte De Jong, 1982

Albert Schweitzer was niet alleen theoloog en musicus voor alles was hij arts in het Afrikaanse Lambarene Vanaf ca 11 jaar **In Africa with Schweitzer** Edgar Berman, 1986

The author recounts his experiences working with Albert Schweitzer in Gabon Africa and shares his impressions of Schweitzer's complex personality Albert Schweitzers Leben und Denken Albert Schweitzer, 1949 **Africana Scandinavica, 1969-1974**, 1996 Albert Schweitzer Jacques Feschotte, 1956 **The African Sermons** Albert Schweitzer, 2003-04-01

Every Sunday in Lambaré in Gabon Albert Schweitzer delivered an outdoor sermon in French Although never intended for publication many of the sermons were transcribed by Schweitzer's listeners Translated into English and collected in one volume for the first time Steven E G Melamed Sr surviving sermons make a great contribution to the field characterizing Schweitzer's simplicity of language his emphasis on personal conduct and his

adaptation of biblical stories to the everyday realities of African life Delivered between 1913 and 1935 these sermons evolved as Schweitzer matured and became more attuned to his surroundings Since it contains what is most likely the entire extant corpus of Schweitzer s sermons in Africa this book fills a significant gap in Schweitzer scholarship affording unique insight into his own beliefs and the prevailing European attitude toward Africans

POLYGAMOUS WAYS OF LIFE PAST AND PRESENT IN AFRICA AND EUROPE | POLYGAME LEBENSWEISEN IN VERGANGENHEIT UND GEGENWART IN AFRIKA UND EUROPA Henry Kam Kah,Bea Lundt,2020-01-01 Polygamy is a very complex phenomenon with a long tradition in Africa but also in Europe The anthology will contribute to the objectification of the discussion by portraying the variety of polygamous lifestyles showing the interconnections of family structure social and economic conditions cultural representations especially in fictive writing and oral tradition spiritual meaning and religious legitimation of this way of life between traditional belief Christianity and Islam Case studies from different countries in Africa south of the Sahara will be added by historic examples since antiquity in Europe up to the discussion in present times

African Biblical Studies Andrew M. Mbuvi,2022-09-22 Andrew M Mbuvi makes the case for African biblical studies as a vibrant and important emerging distinct discipline while also using its postcolonial optic to critique biblical studies for its continued underlying racially and imperialistically motivated tendencies Mbuvi argues that the emergence of biblical studies as a discipline in the West coincides with and benefits from the establishment of the colonial project that included African colonization At the heart of the colonial project was the Bible not only as ferried by missionaries who often espoused racialized views to convert heathens in the distant lands but as the text used in the racialized justification of the colonial violence Interpretive approaches established within these racist and colonialist matrices continue to dominate the discipline perpetuating racialized interpretive methodology and frameworks On these grounds Mbuvi makes the case that the continued marginalization of non western approaches is a reflection of the continuing colonialist structure and presuppositions in the discipline of biblical studies African Biblical Studies not only exposes and critiques these persistent oppressive and subjugating tendencies but showcases how African postcolonial methodologies and studies that prioritize readings from the perspective of the marginalized and oppressed offer an alternative framework for the discipline These readings while destabilizing and undermining the predominantly white Euro American approaches and their ingrained prejudices and problematizing the biblical text itself posit the need for biblical interpretation that is anti colonial and anti racist

Remembrance of Things Past? Michael J. Thate,2013 In this book Michael J Thate offers an

experiment in reception criticism in its consideration of the formation and reception of the historical Jesus discourse. He also attempts to historicize *Leben Jesu Forschung* within debates and narratives of secularization. These two foci guide the book through its two parts. First, Thate explicates Schweitzer's dominant archival function in *Leben Jesu Forschung* while aiming to make fragile the grand architect's receptive hegemony. Then he combines critical memory theory and other theoretical readings of the material in an attempt to refocus the study of the historical Jesus as early Christian memory politics in the service of identity explication. He attempts to problematize Schweitzer's legacy of a tidy systematic approach in which much of historical Jesus scholarship continues to operate.
