Het Calvinisme Zes Stonelezingen:

DUT-HET CALVINISME Abraham 1837-1920 Kuyper, 2016-08-26 **Het Calvinisme** Abraham Kuyper, 1899 **Het Calvinisme - Zes Stone-lezingen** Abraham Kuyper, 1925 **Het calvinisme: zes stone-lezingen in oktober 1898 te Princeton** A. Kuyper, 1898 Calvin and His Influence, 1509-2009 Irena Backus, Philip Benedict, 2011-08-31 This volume collects papers initially written as the plenary addresses for the largest international scholarly conference held in connection with the 500th anniversary of Calvin's birth organized in Geneva by the Institute of Reformation History The organizers chose as theme for the conference Calvin and His Influence 1509-2009 hoping to stimulate reflection about what Calvin's ideas and example have meant across the five centuries since his lifetime as well as about how much validity the classic interpretations that have linked his legacy to fundamental features of modernity such as democracy capitalism or science still retain *Het Calvinisme* Abraham Kuyper, 2002 Beschrijvingen van wandaden die Nederlanders gedurende vier eeuwen hebben gepleegd in Nederlandse koloniën als Indonesië en Suriname Het Calvinisme. Zes Stone-Lezingen in October 1898 te Princeton gehouden, etc Abraham Kuyper, 1898 *Protestant Theology and Modernity in the Nineteenth-Century Netherlands* Arie L. Molendijk, 2021-12-24 Protestant Theology and Modernity in the Nineteenth Century Netherlands examines how Dutch Protestant thinkers and theologians met the challenges of the rapidly modernizing world around them It shows that the nineteenth century saw theology fundamentally transformed and reinvented in a variety of ways Enlightenment values were fiercely attacked by orthodox Pietists but embraced by modern theologians Positions were not fixed and theologians had to work hard to maintain their intellectual integrity Jewish Isaac da Costa converted to Christianity and fulminated against the Zeitgeist Allard Pierson who in his youth had been under the spell of Da Costa resigned from his ministry and adopted an agnostic stance Abraham Kuyper modernized theology and politics by laying the foundations of pillarization the segmented social structures based on differences in religion and worldview of Dutch society Abraham Kuenen revolutionized the study of the Old Testament and Protestant theologians made ground breaking contributions to the emerging science of religion This book used in depth studies of a small number of significant and influential Protestant thinkers to analyse how they addressed specific modern transformation processes such as political modernization the pluralization of world views and the emergence of critical historical scholarship It also considers the significant Dutch contribution to the historical critical study of the Bible and the emergence of the modern comparative study of religion *A Tiny Spot on the Earth* Piet Rooy, 2025-10-01 In this survey of the Dutch political culture of the nineteenth and twentieth centuries Piet de Rooy reveals that the polder model often used to describe economic and social policymaking based on consensus is a myth Instead modern political culture in the Dutch Low Countries began with a revolution and is rife with rivalries among political and ideological factions De Rooy argues that because of its extremely open economy the country is vulnerable to external political cultural and economic pressures and Dutch politics is a balancing act between profiting from

international developments and maintaining sovereignty The sudden rise of populism and Euroscepticism at the turn of the millennium then indicated a loss of this balance Shining new light on the political culture of the Netherlands this book provides insights into the polder model and the principles of pillarization in Dutch society The Dutch edition of this book *Ons stipje op de wereldkaart* was awarded the Prinsjesboekenprijs for the best book on Dutch national politics in 2014 Survey of the Dutch political culture of the nineteenth and twentieth centuries
