## Het Wonder Van San Nicandro:

*Het wonder van San Nicandro*, 1986      *The Prophet of San Nicandro* Pinchas Lapide, 1953      *San Nicandro* Elena Cassin, 1959      *Drukwerk* Karel Martens, 2001 Karel Marten's work occupies a unique place in the present European art and design landscape. While working in the tradition of Dutch modernism, he maintains distance from the main developments of his time from both the practices of routinized Modernism and the facile reactions against it. His work is personal and experimental while at the same time publicly answerable. This book presents Martens' graphic design oeuvre in reproductions of startling fidelity and described in informal captions. Printed on uncoated paper and Chinese bound, the book itself has a compelling tactile quality. For this long-awaited second edition, twenty-four pages have been added to cover Marten's most recent work.      *Brinkman's catalogus van boeken en tijdschriften*, 1992 With 1901 1910 1956 1960 Repertorium is bound Brinkman's Titel catalogus van de gedurende 1901 1910 1956 1960 Title varies slightly      **Donato Manduzio's Diary, from Church to Synagogue** Viviane Serfaty, 2017-03-07 Donato Manduzio was an illiterate Southern Italian peasant who only learned how to read and write at the age of thirty-two while convalescing from a wound during the First World War. His subsequent reading of Scripture and the visions he experienced led him to turn to Judaism and to seek an official conversion for himself and seventy odd followers. For twelve of the sixteen-year-long process, Manduzio wrote about his experiences. Although some excerpts from the Diary have been translated, the manuscript has remained unpublished either in Italian or in any other language up to this day. This book translates the full text of Manduzio's Diary from the original Italian into English, making it available at last to a wider public. After providing a social and historical framework for the trajectory of this remarkable man, it retraces Manduzio's mystical visions and spiritual development as well as his struggle to create and maintain a Jewish community in a remote corner of Apulia at a time when Fascism was taking hold of Italy. It also shows how the text fits in the context of religious conversion narratives and of literary studies, thus shedding a fresh and fascinating light on the subject. This book will be of interest to specialists of autobiography, Jewish studies, Italian studies, and cultural studies. The Diary's literary qualities and riveting story telling will also make it a must-read for general audiences.      **Lektuurgids , Southern Italy and Sicily** Karl Baedeker (Firm), 1930      *Teachings of the Virgin Mary* Hans Lyngsgaard, 2012-05-16 Will you rediscover my pilgrimage route? The question is addressed to the author, a 54-year-old Danish architect, while under a meditation. This is the beginning of a 2000 km long pilgrimage route which the Virgin Mary is said to have walked. THE TEACHINGS OF THE VIRGIN MARY is an account of both an inner and an outer journey with the Virgin Mary as an inner travel guide. Without any special qualifications, the author set out on a hard and fatiguing journey. The down-to-earth explorer was sorely tried and was confronted with less than friendly spiritual forces who tested and developed his commitment as a pilgrim. THE TEACHINGS OF THE VIRGIN MARY is a deeply personal report about a human who set out on a journey to try to understand his own role in the world. The book is illustrated with the author's own maps and sketches.      Women and War

in Roman Epic Elina Pyy, 2020-11-04 In *Women and War in Roman Epic* Elina Pyy discusses the narrative and ideological functions of gender in the works of Virgil Lucan Statius Silius Italicus and Valerius Flaccus By examining the themes of violence death guilt grief and anger in their epics she offers an account of the intertextual tradition of the genre and its socio political background Through a combination of classical narratology and Julia Kristeva's subjectivity theory Pyy scrutinises how gendered marginality is constructed in the genre and how it contributes to the fashioning of Roman imperial identity Focusing on the ambiguous elements of epic the study looks beyond the binary oppositions between the Self and the Other male and female and Roman and barbarian

*Judaising Movements* Tudor Parfitt, Emanuela Semi, 2013-12-16 The history of Judaising movements has been largely ignored by historians of religion This volume analyzes the interplay between colonialism a Judaism not traditionally viewed as proselytising but which at certain points was struggling to heed the Prophets and become a light unto the Gentiles and the attraction for many different peoples of the rooted historicity of Judaism and by the symbolic appropriation of Jewish suffering This book will look at the role of colonialism in the development of Judaising movements throughout the world including New Zealand Japan India Burma and Africa Particular attention will be paid to the Lemba tribe of Southern Africa A remarkable parallel movement in 1930s Southern Italy will also be dealt with The history of the converts of San Nicandro is seen in the context of currents of Jewish universalism messianism and Zionism Gender issues are also discussed here as the converted women assumed powers they had not hitherto enjoyed
