God Loves Sex An Honest Conversation About Sexual Desire And Holiness:

God Loves Sex Dan B. Allender, Tremper Longman III, 2014-11-04 We live in a sexually mad world where God's gift of sex has been distorted through pornography promiscuity prostitution abuse trafficking and rape The church's position on sexual matters has been made clear throughout history all sexual activity outside the boundaries of Christian marriage is sin But rarely has the church honestly addressed the true needs of Christians who are struggling with sexual desires they believe to be counter to the Bible So we hide our struggles and pretend to live above the erotic fray or else we cozy up to the culture's redefinition of which sins are acceptable But what does the Bible really say about sexual desire and sexual intimacy God Loves Sex offers a truly liberating godly view of holy sensuality by recovering the clear meaning of the Song of Songs as God sanctioned eroticism Then it uses that lens to answer questions posed by a fictional new Christian struggling with expectations of sexual purity It asks provocative questions such as What does it mean to be both holy and filled with rich sexual desire and How can our sexual struggles take us deeper into the purposes of God Pairing psychological insight with sound biblical scholarship Allender and Longman bring it all out into the open allowing Christians of any age and any marital status to discover sex the way God meant it to be *Exploring Sexuality and Spirituality*, 2020-10-20 The wide spectrum of links and interrelations found amongst the diversity of human sexual expressions and spiritual practices around the world constitutes one of the most fruitful grounds of scholarly research today Exploring Sexuality and Spirituality introduces an emerging academic field of studies focused on the multiplicity of problematizations intersecting spirituality and sexuality from eroticism and ecstasy embodiments to inner spiritual cultivation intimate relationships sex education and gender empowerment This collection of essays addresses subjects such as prehistoric art Queer Theology BDSM Tantra the Song of Songs la petite mort asceticism feminist performative protests and sexually charged landscapes among others Through varied methodologies and state of the art interdisciplinary approaches this volume becomes highly useful for readers engaged in the integration of scholarly and practical knowledge **Unquenchable Love** Rene Erwich, Almatine Leene, 2024-08-01 More than ever before there is a need for in depth dialogue between theology and sciences with regard to gender and human sexuality This is especially true for Christian communities that are increasingly challenged by the many questions and experiences people have This book provides the material to explore the various views and bring them together from a Christian perspective based on a theological account of desire It shows how gender sexuality and faith are positively connected without losing out on deep Christian values and norms **God, You, & Sex** David White, 2019-09-30 In this important and engaging biblical teaching on sexuality David White helps readers develop a Scripture based perspective that goes beyond the typical message to just wait for marriage Everyone Loves Sex Bryan A. Sands, 2017-04-11 More than 100 million acts of sex occur every day in our world If we are going to engage this arising generation we need to rethink how we frame the sexual faithfulness conversation And that's exactly what this book does Instead of the tired Don't have sex until

marriage because the Bible says so rhetoric Everyone Loves Sex uncovers what psychology and sociology reveal and the results may surprise you Sexual faithfulness is about committing to one's future spouse in spite of what one's sexual life has looked like in the past The future can be different It is about making the change and honoring the one you love or will love Rather than casting judgment or condemnation this book casts a vision for what your life could be inspiring you to not only embrace positive change but make a difference in the lives of others **Kink-Affirming Practice** Stefani

The Bible, Sexuality, and Culture

Brian Neil Peterson, 2021-05-26 We are living in a rapidly changing culture Since the 1960s the changes in our sexual ethics have become increasingly problematic How are people especially Evangelicals and other conservative Christians supposed to respond Does the Bible address these seismic changes How is a believer supposed to raise a family in the cultural chaos of the twenty first century If you have asked any of these questions before then this book is for you Peterson argues forcefully that the changes in our culture are a direct result of a postmodern and post Christian cultural rejection of the mandates established by God in the opening two chapters of Genesis The reason Western culture is imploding morally is directly connected to the Enemy's undoing of each of the Genesis mandates established by God for human and cultural flourishing With Western culture's rejection or undoing of every one of God's mandates in Genesis is there any hope for the survival of once thriving Judeo Christian cultures Peterson tackles these and many other issues in a forthright and unreserved manner This book is not for the faint of heart It is a call for a return to cultural sanity rooted in the fear of God and his Word
