The Magic Presence Godfree King, 2016-04-03 This volume contains the author's second group of experiences with Saint Germain These experiences were the result of his applying the knowledge he had previously learned as described in *Unveiled Mysteries* I LEFT you my reader at the end of *Unveiled Mysteries* with the Great Ascended Master Lanto sending forth His Blessing to America and mankind from the Retreat in the Royal Teton In this book I shall describe another group of important and wonderful experiences which I was privileged to have during those months of association with our Beloved Ascended Master Saint Germain

The Magic Presence Ray Godfrey King, Guy Ballard, 2019-08-20 Facsimile of 1935 Edition This volume contains the author's second group of experiences with Saint Germain These experiences were the result of his applying the knowledge he had previously learned as described in *Unveiled Mysteries* I LEFT you my reader at the end of *Unveiled Mysteries* with the Great Ascended Master Lanto sending forth His Blessing to America and mankind from the Retreat in the Royal Teton In this book I shall describe another group of important and wonderful experiences which I was privileged to have during those months of association with our Beloved Ascended Master Saint Germain Herein the author continues his conversation with St Germain an Ascended Master who is able to manipulate the fabric of reality In *Unveiled Mysteries* the author Guy Ballard using the pen name Godfr Ray King describes a

series of astral trips in time and space with St Germain They travelled to lost civilizations in South America and the Sahara as well as well stocked bunkers of the ancients in the Grand Tetons Yellowstone and Mount Shasta The author and St Germain revisit past lives as citizens of Atlantis and Mu and they turn out to be relatives A final chapter mentions encounters with entities from Venus *The magic presence by Godfré Ray King* ,1935 **Awakening America** William Lee

Michaels,2015-12-02 This little handbook for America illustrates a journey on the spiritual path that sets a clear course into discovery As we peruse its pages we begin to feel the author s joyful certainty that a sincere dedication to find the truth will bear fruit for all who are willing to seek it The author s vision is that America finds in the spiritual path a new dream of liberty that is reachable A sweet pure love for America pours through the author s experiences with the deep conviction that America is so glorious that she can transcend beyond politics as usual and that America herself carries forward her flag of honor We all reap the glory of our sacred founding documents as we catch this vision Through the story of the author s committed spiritual quest are discussions of Ascended Masters reincarnation revelation body cleansing communion and how to cope with energy projections all explored as tools toward spiritual seasoning It appears that spiritual enlightenment can come through a careful personal cultivation of harmony and peace This book ushers in a spiritual renewal for America

Unveiled Mysteries Godfr Ray King,2024-03-26 IT WAS through Saint Germain s assistance that I was privileged to have the experiences recorded in this series of books and that permission has been granted for them to be put in a form which can be given to the public No one can realize unless he too has had similar assistance how great and eternal is my love and gratitude to him and those other Ascended Masters whose assistance I had Those who accept the Truth herein recorded will find a new and powerful Force entering their lives **The Book of Apocalypse explained by Archangel Michael and the Family of Light** Giovanni Orlando,2010 *Cosmic Ascension* Joshua David Stone,1998-02-01 Cosmic Ascension Your

Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth s history there is a new opening and potentiality to also begin one s cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book Elements of Essential Spiritual Realization Maha Chohan,1947
