The Church Year at Home Christine E. Curley, 2021-07-28 For parents in today's world it can be hard to find the time and resources to fully equip our children to be spiritually mature adults. So much demands our attention and distracts us from God. Curley offers a resource to help parents structure their days and weeks to glorify God and disciple children. Using the church calendar as a guide, she proposes simple and realistic ways as well as resources for the whole family to engage in the Scriptures and thereby push back on the unrelenting culture of today.

Celebrating the Catholic Home: Traditions and Rituals for Every Holiday and Feast Day Clay McCall, 2025-04-04 In a world where traditions often get lost in the hustle and bustle of modern life, rediscovering the rich tapestry of Catholic customs can bring a profound sense of connection and meaning to our daily lives. This book serves as a guide to enriching your family's spiritual journey by celebrating the timeless traditions and rituals associated with every Catholic holiday and feast day. From Advent wreaths to Easter vigils and from saints' feast days to ordinary Sundays, this book covers a wide array of practices that have been cherished by Catholic families for generations. Each chapter delves into the historical and spiritual significance of these traditions, offering practical advice on how to incorporate them into your home. Whether it's crafting a nativity scene with your children, preparing a special meal for All Saints Day, or understanding the liturgical importance of different feast days, this book provides the tools and inspiration you need. One of the central challenges many Catholic families face today is preserving their spiritual heritage amidst a rapidly changing world. This book addresses that problem head-on by offering creative and manageable ways to maintain these traditions.

Praise Worthy Greatness Francis Bestman Isugu, 2014-08-14 This work, *Praiseworthy Greatness*, exposes you to the secrets of Praiseworthy Greatness. These secrets, revealed to you in this discourse, are hidden truths about God and you. The hidden truths about why God has always been and remains the greatest are revealed to you as the secrets about why you are less compared to God. But with this discourse, you are challenged to look beyond your present status of being less in comparison with God's maximal greatness to begin to aspire and finally to become the greatest like God. Formerly, you were less as every ordinary human person is in comparison with God's maximal greatness, but you become the greatest like God after learning and practicing the secrets revealed in this discourse. As a discourse, this work is practically meant to teach you secrets that no one ever told you about to be the secrets to praiseworthy greatness. You never knew or heard that these are the same principles used by God not only to be but to remain the greatest being. You will be proposing a celebration for your glory after knowing these secrets as they are discussed in relation to the theme *Praiseworthy Greatness: Secrets from God's Maximal Greatness*.
