Revolutionary Mothering Alexis Pauline Gumbs, China Martens, Mai'a Williams, 2016-04-01 Inspired by the legacy of radical and queer black feminists of the 1970s and 80s Revolutionary Mothering places marginalized mothers of color at the center of a world of necessary transformation The challenges we face as movements working for racial economic reproductive gender and food justice as well as anti violence anti imperialist and queer liberation are the same challenges that many mothers face every day Oppressed mothers create a generous space for life in the face of life threatening limits activate a powerful vision of the future while navigating tangible concerns in the present move beyond individual narratives of choice toward collective solutions live for more than ourselves and remain accountable to a future that we cannot always see Revolutionary Mothering is a movement shifting anthology committed to birthing new worlds full of faith and hope for what we can raise up together Contributors include June Jordan Malkia A Cyril Esteli Juarez Cynthia Dewi Oka Fabiola Sandoval Sumayyah Talibah Victoria Law Tara Villalba Lola Mondrag n Christy

Engendering Revolution Rachel Elfenbein, 2019-12-01 In 1999 Venezuela became the first country in the world to constitutionally recognize the socioeconomic value of housework and enshrine homemakers social security This landmark provision was part of a larger project to transform the state and expand social inclusion during Hugo Chavez's presidency The Bolivarian revolution opened new opportunities for poor and working class or popular women's organizing The state recognized their unpaid labor and maternal gender role as central to the revolution Yet even as state recognition enabled some popular women to receive public assistance it also made their unpaid labor and organizing vulnerable to state appropriation Offering the first comprehensive analysis of this phenomenon *Engendering Revolution* demonstrates that the Bolivarian revolution cannot be understood without comprehending the gendered nature of its state society relations Showcasing field research that comprises archival analysis observation and extensive interviews these thought provoking findings underscore the ways in which popular women sustained a movement purported to exalt them even while many could not access social security and remained socially economically and politically vulnerable *Congressional Record* United States. Congress, 1983 The *Congressional Record* is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The *Congressional Record* began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789-1824* the *Register of Debates in Congress 1824-1837* and the *Congressional Globe 1833-1873* **Strange Bedfellows** Alison Lefkovitz, 2018-03-21 The impact of law and politics on efforts to redefine family and marriage without relying on traditional

gender norms In the inaugural issue of Ms Magazine the feminist activist Judy Syfers proclaimed that she would like a wife offering a wry critique of the state of marriage in modern America After all she observed a wife could provide Syfers with free childcare and housecleaning services as well as wages from a job Outside the pages of Ms divorced men s rights activist Charles Metz opened his own manifesto on marriage reform with a triumphant recognition that noise is swelling from hundreds of thousands of divorced male victims In the 1960s and 70s a broad array of Americans identified marriage as a problem and according to Alison Lefkovitz the subsequent changes to marriage law at the state and federal levels constituted a social and legal revolution The law had long imposed breadwinner and homemaker roles on husbands and wives respectively In the 1960s state legislatures heeded the calls of divorced men and feminist activists but their reforms such as no fault divorce generally benefitted husbands more than wives Meanwhile radical feminists welfare rights activists gay liberationists and immigrant spouses fought for a much broader agenda such as the extension of gender neutral financial obligations to all families or the separation of benefits from family relationships entirely But a host of conservatives stymied this broader revolution Therefore even the modest victories that feminists won eluded less prosperous Americans marriage rights were available to those who could afford them Examining the effects of law and politics on the intimate space of the home Strange Bedfellows recounts how the marriage revolution at once instituted formal legal equality while also creating new forms of political and economic inequality that historians like most Americans have yet to fully understand

Multiple Homemaking Ruben Gowricharn,2020-11-11 This book develops a theoretical perspective on homemaking as the ethnic condition of Indian diaspora communities It draws on empirical case studies to elucidate the multiple homemaking practices of two overseas Indian groups and their relations to their homeland namely the Surinami Hindustanis and the Dutch Hindustanis In doing so it provides a new perspective on homemaking that captures ethnogenesis integration and diasporic bonding at once As opposed to the extant discourse on homemaking which overlooks institutional and cultural requirements the author makes a point to scrutinise such concepts as douglarisation groupism citizenship institutions ethnification social networks and technology and transnational flows Unique and compelling the book will be highly useful in studies of diaspora globalisation and transnational migration multiculturalism cultural studies ethnic minority studies sociology politics and international relations and South Asian studies

Pioneers and Homemakers Deborah S. Bernstein,2012-02-01 This book deals with the experience and action of Jewish women in the new Jewish settlement in Palestine the Yishuv during the period of Zionist immigration to Palestine from the last two decades of the nineteenth century until 1948 The wide range of topics concern the experience of East European immigrant women as well as that of traditional Yemenite women the creative and radical action of the socialist pioneers of the labor movement as well as the liberal feminism of the middle class women Though based on scholarly research this book brings forth women s voices through their private and public writing

Teaching Economic Inequality and Capitalism in Contemporary America Kristin Haltinner,Leontina

Hormel,2018-01-02 This book discusses pedagogical solutions that enable students to see how capitalist processes and economic inequalities intersect and shape our assumptions and behaviours The contributors provide thoughtful reflections on the struggles and opportunities instructors face in teaching about these topics while competing against the invisibility of capitalist forces and prevalent social myths such as anyone who works hard can achieve This book will not only help instructors empower students to recognize economic injustice and its interaction with capitalist organization but also develops and acts on transformative solutions Through analysis of the classed dimensions of the current political economics and cultural climate as well as presenting novel lesson plans and classroom activities this book is of great value for college and university professors

A Jet Pilot's Guide to Male Homemaking Jan F. Searce,2013-04 THE WOMEN HAVE WON WOMEN S LIBERATION IS HERE TO STAY A JET PILOT S GUIDE TO MALE HOMEMAKING is a humorous look at one of the biggest sociological upheavals in world history the great change in sexual roles during the last 30 years The book examines shopping cooking child raising and other vocations once considered domains of the opposing gender Included is a chapter on Emergency Procedures similar to that in an Air Force flight manual Women as much as men will enjoy the often crazy convoluted and always funny experiences and how to advice filtered through the macho mind of a jet pilot UNIVERSITY EDITIONS

Homemaking Anindya Raychaudhuri,2018-10-19 Is it possible to think of a counter hegemonic progressive nostalgia that celebrates and helps sustain the marginalised What might such a nostalgia look like and what political importance might it have Homemaking Radical Nostalgia and the Construction of a South Asian Diaspora examines diasporic life in south Asian communities in Europe North America and Australia to map the ways in which members of these communities use nostalgia to construct distinctive identities Using a series of examples from literature cinema visual art music computer games mainstream media physical and virtual spaces and many other cultural objects this book argues that it is possible and necessary to read this nostalgia as helping to create a powerful notion of home that can help to transcend international relations of empire and capital and create instead a pan national space of belonging This homemaking represents the persistent search for somewhere to belong on one s own terms Constructed through word image and music preserved through dreams and imagination the home provides sustenance in the continuing struggle to change the present and the future for the better

The Stalled Revolution Eva Tutchell,John Edmonds,2025-03-11 In this anticipated second edition of *The Stalled Revolution* authors Tutchell and Edmonds build upon their groundbreaking exploration of the Votes for Women campaign and the Women s Liberation movement by focusing on the dramatic activities of the MeToo movement and on the passionate debate about trans and gender identity

Homemaking Catherine Wiley,Fiona R. Barnes,2021-11-18 First published in 1996 The present volume *Homemaking Women Writers and the Politics and Poetics of Home* enters the critical discourse on gender by way of two of its most pressing issues the politics of women s locations at the end of the twentieth century and the division of experience into public and private That the emergence of systematic feminist thought in the west

coincided with the invention of private life should not surprise us. Feminist thinkers from Mary Wollstonecraft were quick to realize that the designation of the public and the private male and female was key to the subordination of women.

The Industrial Revolution in World History Peter N. Stearns, 2020-11-16 Now in its fifth edition this book explores the ways in which the industrial revolution reshaped world history covering the international factors that helped launch the industrial revolution its global spread and its impact from the end of the eighteenth century to the present day. The single most important development in human history over the past three centuries the industrial revolution continues to shape the contemporary world. Revised and brought into the present this fifth edition of Peter N. Stearns' *The Industrial Revolution in World History* extends his global analysis of the industrial revolution. Looking beyond the West the book considers India the Middle East and China and now includes more on key Latin American economies and Africa as well as the heightened tensions since 2008 about the economic aspects of globalization and the decline of manufacturing in the West. This edition also features a new chapter on key historiographical debates updated suggestions for further reading and boxed debate features that encourage the reader to consider diversity and different viewpoints in their own analysis and pays increased attention to the environmental impacts. Illustrating the contemporary relevance of the industrial revolution's history this is essential reading for students of world history and economics as well as for those seeking to know more about the global implications of what is arguably the defining socioeconomic event of modern times.

Sex in Revolution Mary Kay Vaughan, Gabriela Cano, Jocelyn H. Olcott, 2007-01-17 A collection of histories showing how women participated in Mexican revolutionary and postrevolutionary state formation by challenging conventions of sexuality work family life and religious practice.

Employed Homemakers Job Satisfaction Arti Samarth, 2018-10-30 This book is based on MRP report to publish. The research is to evaluate the relationship between job satisfaction and social and work conditions of employed homemakers balancing dual responsibilities where there still are significant indicators of the existence of a male dominated culture of misconceptions for women world. During the last decades a developing country modified several technical and economic progress aspects to jobs and families. Though difference could be because of multiple factors like gender discrimination in several levels e.g. income career prospects and access to education. Now it is common to find families where both are working and the traditional roles within the household is slightly changed i.e. acceptance or recognition waned. Among the emerging needs it is the labour flexibility which derives from the fact that the gap between the amounts of time spent on market and nonmarket work for men versus women has narrowed e.g. in 2018 homemakers spent more time on market work and significantly less time on nonmarket work housekeeping. Keeping in mind that to create a better world the action needed at all levels i.e. individual society and organizations. At individual level with values and aspiration while society with responsible approach and humane or effective organization with leadership and management advance the social and economic justice sustainability solutions to national prosperity issues. The author as a senior icon in the field continues to

make meaningful and significant contributions that could only be realized through years of experience and reflection so there is hoping of warm welcome Revolutionary Radicalism New York (State).
