This text helps students learn why, when, and how cost information is used to make effective decisions that lead a firm to success. **Looseleaf for Cost Management: A Strategic Emphasis** Edward Blocher, Paul Juras, Steven Smith, 2021-01-12 **Cost Management A Strategic Emphasis** by Blocher, Juras, Smith is dedicated to answering the question *Why Cost Management?* It answers this question by providing cost management tools and techniques needed to support an organization's competitiveness, improve its performance, and help the organization accomplish its strategy. The text is written to help students understand the broader role of cost accounting in helping an organization succeed, and not just the measurement of costs. While the text does include coverage of traditional costing topics, e.g., job order costing, process costing, service department cost allocations, and accounting for joint and by-products, its primary strength is the linkage of these topics as well as more contemporary topics to an organization's strategy. And with Connect, an easy-to-use homework and learning management solution that embeds learning science and award-winning adaptive tools to improve student outcomes, instructors receive a course solution that includes high-quality content and assessment paired with assignments that help students build the skills they need to succeed. **Cost Management** Edward Blocher, David Edward Stout, Paul E.
