Go the Fuck to Sleep Adam Mansbach, 2011 A gift book for parents that will have them laughing even as they cry *The Go the Fuck to Sleep Box Set*

Adam Mansbach, 2021-10-05 Celebrating a decade of profane loving and deeply cathartic children's books for adults the entire Go the Fuck to Sleep trilogy is finally available in a collector's edition boxed set You've probably heard of the book Go the F k to Sleep and its two sequels You Have to F king Eat and F k Now There Are Two of You But did you know it's been a full decade since the first book became a brilliant and hilarious phenomenon Fatherly Ten years ago Adam Mansbach crystallized the secret agony of parents the world over with one simple phrase Go the Fuck to Sleep In verses that perfectly capture the familiar tribulations of putting your little angel down for the night the book opened up a conversation about parenting granting us permission to admit our frustrations and laugh at their absurdity and the message only resonated louder when Samuel L Jackson the bard of the F word read the audiobook You Have to Fucking Eat expanded the conversation to include parenthood's other universal frustration getting your little angel to eat something that even vaguely resembles a normal meal with Bryan Cranston voicing the audiobook and because life moves pretty fast Fuck Now There Are Two of You soon became necessary to address the fact that two is somehow a million more kids than one with Larry David doing the audiobook honors And now to celebrate a decade of profane loving and deeply cathartic children's books for adults the entire trilogy is finally available in a collector's edition boxed set perfect for gifting at a baby shower or using to knock yourself unconscious As always you probably should not read these books to a child

Go the Fuck to Sleep 15-Book Prepack Adam Mansbach, 2011-10 **Fuck, Now There Are Two of You (Go the Fuck to Sleep #3)** Adam Mansbach, 2019-10-01 The third installment in Adam Mansbach's international best selling Go the Fuck to Sleep series addresses with radical honesty the family implosion that occurs when a second child arrives If you're a fan of both Larry

David and Profane Children's book parodies don't even try to curb your fucking enthusiasm. Kirkus Reviews. Adam Mansbach famously gave voice to two of parenting's primal struggles in *Go the Fuck to Sleep* and *You Have to Fucking Eat*, the often imitated, never duplicated pair of New York Times best sellers that ushered in a new era of radical honesty in humor books for parents. But what could possibly be left? Parents new, old, expectant, and grand of multiple children already knew the answer. Adam discovered it for himself by having two more kids, less than two years apart. *Fuck Now There Are Two of You* is a loving monologue about the new addition to the family, addressed to a big sibling and shot through with Adam's trademark profane truth telling. Gorgeously illustrated and chock full of unspoken sentiments channeled directly from the brains of parents worldwide, *Fuck Now There Are Two of You* articulates all the fears and frustrations attendant to the simple, math-defying fact that two is a million more kids than one. As you probably know by now, you shouldn't read it to a child. *Go the F**k to Sleep*. Adam Mansbach, 2011-12-06. The #1 New York Times Bestseller. A hilarious take on that age-old problem: getting the beloved child to go to sleep. NPR: Hell, no, you can't go to the bathroom. You know where you can go. The *f k to sleep*. *Go the Fuck to Sleep* is a book for parents who live in the real world where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar and unspoken tribulations of putting your little angel down for the night. Read by a host of celebrities from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care. *Seriously, Just Go to Sleep*. Adam Mansbach, 2014-09-11. Now there's a version complete with more of the gorgeous yet weirdly subversive illustrations. The best part? It's still funny. The rhythms, the plodding rhymes, the illustrations, the clever play on the overused trope of the world at bedtime—they all work together to take *Seriously, Just Go to Sleep* beyond parody and into the realm where good children's books belong: things that parents and children can honestly come to from different places and enjoy together. I can imagine reading *Seriously, Just Go to Sleep* nightly and even to the point where you're begging the child to choose something else, the ultimate compliment for a picture book and yet still finding something to enjoy. It captures a different zeitgeist of modern parenting. New York Times: From the team that touched off the irreverent humor trend, *Go the F k to Sleep* author Adam Mansbach and illustrator Ricardo Cortes comes a new kid-friendly version of their instant comic classic. *Seriously, Just Go to Sleep* brings children in on the joke, helping them understand their own tactics and why their parents just want them to go to sleep. Publishers Weekly: Critical success for the original *Go the F to Sleep*, a #1 best seller at New York Times, Amazon.com, Wall Street Journal, Publishers Weekly, and many more. *Seriously, Just Go to Sleep* is the G-rated, traditional-sized children's version of the book every parent has been talking about. *Go the F to Sleep*, the picture book for adults, became a cultural sensation by striking a universal chord for parents. Now Adam Mansbach and Ricardo Cortes reunite with *Seriously, Just Go to Sleep*, inviting the children themselves in on the joke. As parents know, kids are well aware of how difficult they can be at bedtime. With Cortes's updated illustrations, including a cameo appearance

by Samuel L Jackson who narrated the audio book version of *Go the F to Sleep* and Mansbach's new child appropriate narrative the book allows kids to recognize their tactics giggle at their own mischievousness and empathize with their parents struggles a perspective most children's books don't capture Most importantly it provides a common ground for children and their parents to talk about one of the most stressful aspects of parenting Seriously Just Go to Sleep came to be when Mansbach read a highly censored rendition of the original book to his three year old daughter and she recognized herself as the culprit and was delighted We were getting a lot of feedback from parents saying that their kids loved the book read in an altered form because they recognized themselves in the character of the mischievous kid who's winning the bedtime battle and thought it was hilarious So we figured we'd do a companion volume that lets kids in on the fun *The Oxford Handbook of Twentieth-Century American Literature* Leslie Bow, Russ Castronovo, 2022-08-11 An essential and field defining resource this volume brings fresh approaches to major US novels poetry and performance literature of the twentieth century With sections on structures movements attachments and imaginaries this handbook brings a new set of tools and perspectives to the rich and diverse traditions of American literary production The editors have turned to leading as well as up and coming scholars in the field to foreground methodological concerns that assess the challenges of transnational perspectives critical race and indigenous studies disability and care studies environmental criticism affect studies gender analysis media and sound studies and other cutting edge approaches The 20 original chapters include the discussion of working class literature border narratives children's literature novels of late capitalism nuclear poetry fantasies of whiteness and Native American African American Asian American and Latinx creative texts *No Kids Allowed* Michelle Ann Abate, 2020-10-13 Children's literature isn't just for children anymore This original study explores the varied forms and roles of children's literature when it's written for adults What do Adam Mansbach's *Go the F k to Sleep* and Barbara Park's *MA There's Nothing to Do Here* have in common These large format picture books are decidedly intended for parents rather than children In *No Kids Allowed* Michelle Ann Abate examines a constellation of books that form a paradoxical new genre children's literature for adults Distinguishing these books from YA and middle grade fiction that appeals to adult readers Abate argues that there is something unique about this phenomenon Principally defined by its form and audience children's literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive *The Routledge Companion to Picturebooks* Bettina Kümmerling-Meibauer, 2017-12-06 Containing forty eight chapters The Routledge Companion to Picturebooks is the ultimate guide to picturebooks It contains a detailed introduction surveying the history and development of the field and emphasizing the international and cultural diversity of picturebooks Divided into five key parts this volume covers Concepts and topics from hybridity and ideology to metafiction and emotions Genres from
