Go Big Lead Your Church To Explosive Growth:

Go BIG Bil Cornelius, Bill Easum, 2010-03-01 Bill Easum and Bil Cornelius are two strikingly different yet surprisingly similar pastors One undertook to revitalize a moribund mainline church the other to plant a new nondenominational congregation Coming from different generations their ministries took place under dissimilar circumstances Yet both have experienced substantial even explosive growth in congregational mission and membership Along the way they learned some important lessons such as the centrality of strong pastoral leadership the need for an unhesitating pursuit of excellence in all areas of the church s ministry and the requirement that you picture an audacious vision for your church and live into that vision Regardless of the current size of your church you will find here inspiring ready to implement ideas to help your church go BIG Preaching for Church Transformation William M. Easum, Bill Easum, 2010 Shows preachers how to use their time

behind the pulpit to reshape their congregations for mission and growth **Preaching for Church Transformation** Bill Easum, 2011-12-01 Before he was one of the best known church consultants in the country Bill Easum served a lengthy pastorate in San Antonio Texas When he arrived at the church it was in serious decline with the possibility of having to close its doors beginning to loom over it By the time he left it was the most vibrant fastest growing congregation in its city and region Shortly after he arrived Easum preached a series of sermons on the book of Acts that challenged the congregation to become an authentic New Testament church He called on parishioners to step out of their comfort zones stop expecting their pastor to be a personal chaplain and join together to reach their city with the message of Jesus *Preaching for Church Transformation* provides updated versions of the sermons Easum preached as he issued this challenge to the congregation shortly after his arrival Interspersed with the sermons is commentary telling the reader how to adapt them for her or his own situation Anyone wanting to lead a congregation from the status quo to growth and faithful witness will find *Preaching for Church Transformation* an indispensable resource **A Second Resurrection** Bill Easum, 2010-10-01 For many

congregational and denominational leaders the goal for churches experiencing declining worship attendance is to turn those congregations around The turnaround church is one that has stagnated or is in decline The old trends are reversed new members are added and everyone rejoices in this story of a congregation restored to health and vitality But what if the metaphors of decline stagnation and loss of health just aren t getting to the problem What if the situation is much worse than what those ways of describing it imply What if the congregation is spiritually dead The only solution is resurrection Churches that have lost their sense of mission that exist only to provide fellowship for the members of the club that expect their leaders to focus solely on ministering to the members personal spiritual needs these churches have died to the purpose of the New Testament church to make disciples of Jesus Christ They cannot be turned around they must come to life again The key to that resurrection is leaders who are not afraid to diagnose the problem for what it really is and who realize that resurrection is what being a Christian is about The goal of this book is to guide the leaders of these churches through the painful yet

ultimately life giving work of leading a church to new life in the Spirit If you want to find new life for your church read on

The Impact of Church Consultancy Ian G. Duncum,2019-01-14 This book follows the journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies Consultancy outcomes are examined in detail This includes interviews with pastors of some of those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy This is a significant book for denominational leaders theological lecturers pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities

Fusion Nelson Searcy,Jennifer Dykes Henson,2008-01-02 Creating an environment that both embraces our newcomers and excites them enough to return does not happen by chance We must be prepared to be effective stewards of those God brings us Why should the Church not be the epitome of service at its best as modeled by the greatest server of all time Fusion offers a step by step biblically grounded tested and proven plan for establishing a relationship with newcomers that ultimately prompts them to become fully developing members of our congregations This innovative practical guide is full of how to information testimonials from the recently assimilated and from participating church leaders examples of the assimilation materials used and check points to make sure the reader is on track Engaging informative and immediately applicable here is help for setting newcomers on the path toward true life transformation and spiritual maturity

Beyond Megachurch Myths Scott Thumma,Dave Travis,2007-08-10 Drawing on extensive broad based and well designed research as well as stories and anecdotes Beyond Megachurch Myths dispels popular myths about megachurches while highlighting the diversity within the megachurch phenomenon Defining a megachurch as a Protestant church that averages at least 2000 total attendees in their weekend services Scott Thumma and Dave Travis reveal what these churches are and are not why they are thriving what their members say about their experiences and why they have many valuable lessons to teach smaller churches

How to Break Growth Barriers Carl F. George,Warren Bird,2017-04-04 Some churches grow rapidly only to hit a ceiling Other churches have experienced declining or static attendance many of them for decades Frustrated pastors and church leaders want growth methods that work but without adding to pastoral fatigue How to Break Growth Barriers argues that growth comes when effective leadership and lay empowerment skills work hand in hand This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers The authors show pastors how to communicate a vision for

the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth The strategies found in this book are not only tried and true and taken from a biblical perspective of a harvest vision They re also newly updated to reflect our changing culture including helpful charts and checklists for self evaluation **Go BIG with Small Groups** Bill Easum,John Atkinson,2010-09-01 Most churches that begin small groups find that within a couple of years two things happen the number of small groups has dwindled in size and few if any of them have birthed other small groups So the only way most churches keep small groups going is by reinventing them over and over usually with the same people The authors of this book know God has much more in store for these churches Bill Easum and John Atkinson have both led congregations in which small group ministry proved crucial to the church s growth Both know the pitfalls that endanger all attempts to center a congregation s life around small groups More importantly they understand how to make small groups growing self reproducing centers of Christian discipleship *American Book Publishing Record* ,2005 *The Writers Directory* ,2013 **The British National Bibliography** Arthur James Wells,2006 *Viral Churches* Ed Stetzer,Warren Bird,2010-03-10 This groundbreaking guide reveals successful strategies for multiplying the impact of new church congregations Based on a national cross denominational study commissioned by Leadership Network *Viral Churches* explores the best practices in church multiplication movements as well as the common threads among them A hands on resource *Viral Churches* offers the fresh vision and critical perspectives essential as a catalyst for today s church planting leaders Authors Ed Stetzer and Warren Bird draw from their own experiences as well as the insights of numerous church planting leaders Filled with illustrative success stories this important book reveals how to plant churches that multiply into a movement Each chapter highlights a different point on such issues as keeping the focus on evangelism recruiting assessing and deploying planters increasing the survivability of new churches using a multisite strategy effectively funding overcoming obstacles facing challenges ahead and many more *Small Is Big, Slow Is Fast* Caesar Kalinowski,2014-10-28 You don t need to have the talents of a rock star or the wisdom of Yoda to effectively and naturally live a life on mission with God And you do not have to add a big list of new activities to your life Instead it is the everyday ordinary things done with greater gospel intentionality slowly over time that make all the difference Biblical and super practical *Small Is Big Slow Is Fast* helps readers respond to Jesus call to each of us to be a missionary right where we live in our own families and neighborhoods It shows you step by step the essential elements that create environments for organic kingdom growth and multiplication Whether you re looking to lead your own family or are taking first steps toward starting a church that has discipleship and mission at its core you will discover the secret to starting out small and going seemingly slower and not feeling guilty about it And you ll be encouraged to trust that when you lay the right foundations multi plication will occur and will always be faster and more successful in the long run *How to Follow Jesus* Craig Springer,2020-02-18 Millions of people want to follow Jesus but don t know how Upon becoming Christians new believers often end up paralyzed They become overwhelmed trying

to master complicated doctrines frustrated by a large list of rules for policing their lives and bewildered by a new and strange vocabulary Even worse there are few books offering simple and clear advice to guide a Christian s first spiritual steps that are written in common contemporary language Until now In *How to Follow Jesus* Craig Springer executive director of Alpha USA one of America s most effective evangelism movements explodes numerous myths surrounding the Christian faith that create unnecessary obstacles to growth including illustrating that sin and temptation are not the greatest threat to a flourishing faith forgiveness means going through rather than around our feelings and how disappointment in the church may be the essential step in growing a foundation for life changing community Sharing personal stories from his own journey to a mature faith Springer sets readers at ease and offers them practical easy to implement advice for following Jesus Destined to become a timeless classic *How to Follow Jesus* is a must read for new and returning Christians *The Living Church* ,2002 **The Saturday Evening Post** ,1918 **Cincinnati Magazine** ,2009-01 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Congressional Record** United States. Congress,1968 **Congressional Record** United States. Congress,1988 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873
