God Is Love A Biblical And Systematic Theology:

God Is Love Gerald Bray, 2012-03-31 While there is no substitute for personal faithful and careful Bible reading and prayer the Bible's vast size and diversity can make distilling its truth a daunting task Thus most Christians benefit from supplemental resources to help learn and apply what Scripture teaches Renowned theologian Gerald Bray has produced just such a resource in his new systematic theology Though packed with robust content he writes about this volume the aim is to reach those who would not normally find systematic theology appealing or even comprehensible This volume is unique from others in that Bray traces the common theme of God's love through the Bible categorically from God's love for himself and his creation to the cross as the ultimate expression of God's love among other categories The centrality of God's love in Bray's theology reflects a deep conviction that the Bible shows us God for who he really is This volume will be of interest to Christians seeking to grow in their faith

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series

Love Divine Jordan Wessling, 2020-06-01 Love Divine provides a systematic account of the deep and rich love that God has for humans While the associated theological territory is vast the objective is to contend for a unified paradigm regarding fundamental issues pertaining to the God of love who deigns to share His life of love with any human willing to receive it Realizing this objective includes clarifying and defending specific conclusions concerning how the doctrine of divine love should be approached what God's love is what role love plays in motivating God's creation and subsequent governance of humans how God's love of humans factors into His emotional life which humans it is that God loves in a saving manner what the punitive wrath of God is and how it relates to God's love for humans and how it might be possible for God to share the intra trinitarian life of love with human beings As the book unfolds the chapters interlock and build upon one another in the effort to trace nodal issues related to God's love as it begins in Him and then spills out in the creation redemption and glorification of humanity a kind of exitus reditus structure that is driven by the unyielding love of God

The Love of God John C. Peckham, 2015-07-28 Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world In this comprehensive canonical theology of divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the

Towards Fellowship Justin Stratis, 2019-05-30 Justin Stratis explores the meaning of the biblical phrase God is love through an examination of two quintessentially modern Protestant theologians Friedrich Schleiermacher and Karl Barth This book contains both a detailed engagement with Schleiermacher's untranslated lectures on Dialektik and their relation to his more well known work as well as a new assessment of Barth's doctrine of God which both respects his radical innovations and yet places him within the stream of traditional catholic trinitarianism After considering the complexities of theological predication and comparing several classical and contemporary approaches to the implication of love Stratis presents and ultimately commends the distinct approaches of Schleiermacher and Barth for their tendency to treat divine love as a conclusion to the doctrine of God rather than as a conceptual starting point In contrast to many contemporary approaches Stratis concludes with the suggestion that God's love is best conceived as his being toward fellowship rather than as the eminent instance of loving fellowship understood according to human experiences of love

The Life of Apostle John Elder Willie Foster, 2025-03-31 Discover the profound journey of one of Christianity's most influential figures in *The Life of Apostle John A Journey of Faith and Revelation* This compelling book delves into the rich tapestry of John's life from his humble beginnings and call to discipleship to his intimate relationship with Christ and his pivotal role in the early church Elder Willie Foster meticulously tracks John's background and early life offering deep insights into his teachings and ministry Explore John's perspective on Christ's teachings his significant contributions through his gospel epistles and the Book of Revelation and the impactful events of his life including the martyrdom of his fellow apostles and his exile on Patmos This book is a rich source of theological insights and practical lessons for today's believers one that emphasizes the importance of Revelation and provides dialogues on discipleship that resonate with contemporary Christian life The author's engaging narrative and scholarly approach make this book a must read for anyone seeking to deepen their faith and understanding of Scripture

The Art of Forgiveness Myk Habets, Philip Halstead, 2018-10-31 Forgiveness is at the heart of the Christian Gospel It goes hand in hand with love mercy and grace the fundamental theological virtues However forgiveness is easier to define than it is to embody This unique collection of essays brings together theologians ethicists and ministry practitioners into a constructive dialog which explores the complex and crucial concept of forgiveness what it is where it is to be found and how it might be practiced These essays reflect the perspectives of those from various traditions who nonetheless take the Christian Scriptures seriously believe that forgiveness is central to living out the Gospel and are creative in the ways in which forgiveness can be practiced Forgiveness is an art and not simply a science as such it requires trust skill and hope alongside love mercy and grace if it is to be embodied This volume offers a unique window into the art of forgiveness and the faithful and innovative ways in which it is to be understood embodied and cultivated

Justice, Mercy, and Well-Being Peter G. Bolt, James R. Harrison, 2020-03-10 This collection of essays examines how God's justice and mercy intersect in the lives of individuals and their communities with a view to the establishment of personal and social well being in the world The authors

drawn from England and Australia approach the theme from a variety of methodological and interdisciplinary perspectives Theological exegetical historical healthcare moral and visual arts approaches are brought to bear in an investigation relevant for the identity and mission of the church in a world characterized by cycles of revenge the perpetration of injustice and the marginalization and persecution of various ethnic groups The practical outcome of these studies has wide ranging relevance for our attitudes toward indigenous peoples the well being of single and married people healthcare throughout the ages the spiritual care of people including those suffering dementia the personal experience of trauma issues of moral judgement and the abiding value of the creative arts

God's Love Language Dr. LaNissa Finney, MDiv DBS, 2022-09-29 If God is speaking to us then what is He saying That is what most people want to know This book reveals God's love language from Genesis all the way into the New Testament when Jesus finally appears on the scene It takes an in depth look at God's communication with Israel but also the world outside of Israel It explores the blunders and calamities that God's people get themselves into and reveals God's response as a love language Each book of the Bible tells a unique story and within that story God is speaking a language of love as reconciliation The goal is to see God's love even if that language is challenging at times Within each disaster of the biblical narrative God reveals Himself as faithful and loving Even in God's judgement there is a beautiful language of love being revealed which is clearly seen in God's exchange with Pharaoh This book will help answer difficult questions about the Old Testament while pointing out God's method of communication with the people of the Old and New Testament The aim is to help you see the conversation between Creator and creation as both purposeful and affectionate

God as Sacrificial Love Asle Eikrem, 2017 In dialogue with a range of post enlightenment critiques of Christian theologies regarding sacrificial love Asle Eikrem presents an unconventional systematic approach to this multi layered and complex theological topic From Hegel to prominent 20th century theologians from feminist theologies to postmodern philosophers this volume engages in a critical conversation with a host of different voices on all the classical topics in theology creation trinity incarnation atonement sin faith sacraments and eschatology also providing a moral and socio historical vision for Christian living The result is a unique appraisal of the significance that the life and death of Jesus holds for the world today
