To Shift a Nation Craig Dockstader, 2024-07-01 It s difficult to capture in words the anxiety and frustration many Canadian Christians are feeling these days We find ourselves in a nation we never envisioned with a future that seems increasingly uncertain In what seems like a very short time Canada has gone from being a nation that was friendly toward Christian values to one where these values are now either openly under attack or already trampled underfoot How we respond to this reality now is critical and will determine the future we leave for our children and their children To Shift a Nation examines where we are what went wrong and what we need to do to change course and see our nation shift *Supporting documents* United States. Catastrophe Jacob Neusner, 2009-04-01 Neusner argues that the Judaism that emerged in late antiquity experimented with solutions to a critical and enduring issue of culture that continues to engage humanity the crisis provoked by calamity Exemplified in our time by the German war against the Jews from 1933 1945 in antiquity calamity took the form of the destruction in 70 C E of the Temple of Jerusalem and the cessation of its sacrifices putting an end to the cultic calendar by

which people had measured the passage of time in the heavens and maintained their relationship with God on earth
 Resolution of this crisis required a radical solution the reversion to prophecy which had as a consequence restoration of

 that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I
 have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God
 similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations
 have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the
 original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV
 published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands
 as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation
 for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity
 has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing
 and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in
 reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s
 people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained
 or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this
 vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This
 book tries to take us back to reading writing and arithmetic doctrine **100 Answers to the Most Uncommon 100**
