**Imago Dei: Man/Woman Created in the Image of God** George Hobson,2019-09-30 The question What is human nature is in vogue today Like everything else this concept is being deconstructed in the context of the reigning ideology of individualistic materialism Is there a fixed human nature or is this simply a manipulatable social construct with no objective reference This book says Yes there is the imago Dei man woman created in the image of God Hobson argues that this text from Genesis 1 26 28 is a God given anthropological revelation that establishes the relational bond of human beings with their Creator and also with his creation

for which the imago equips us to be responsible stewards Many of Hobson's essays were delivered as talks in parishes They explore from multiple angles the import of the imago Dei for theological and sacramental reflection apologetics aesthetics art and at a hands on practical level for pastoral counseling and inner healing His texts one of which opens with a discussion of genocide contain incisive critiques of the dark side of modernity alongside wide ranging demonstrations of the pertinence of the imago Dei to the current debates about human dignity and rights His book is a ringing call to the church to take the measure of the value of this anthropological revelation for its proclamation of the gospel *Dictionary of Paul and His Letters* InterVarsity Press,2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume's breadth and usefulness for scholars pastors and students today

Your Identity in the Trinity Sean Cole,2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God's glory declare God's gospel and disciple for God's Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ **Naturally Supernatural** Ross Lanphere,2023-05-26 As you read this book Naturally Supernatural you will discover who you have been since you became One Spirit with Christ 1Cor 6:17 God has already given you His Divine Nature when He created you in His image and likeness This book will show you the exciting plan that God had for you before you were even born You will discover your True Identity in Christ You will also discover why the Bible says so many wonderful things about you that you never thought were possible or even true But now you will begin to see that everything God said and everything He has promised you is absolutely true and absolutely possible You will never be the same again **The Church and the Surprising Offense of**

**God's Love (Foreword by Mark Dever)** Jonathan Leeman,2010-01-08 When the world speaks of love it often means unconditional acceptance Many churches have adopted this mind set in their practice of membership and discipline if they have not done away with such structures entirely Yet God's love and God's gospel are different than what the world expects writes Jonathan Leeman They're centered in his character which draws a clear boundary between what is holy and what is not It's this line that the local church should represent in its member practices because the careful exercise of such authority is God's means for guarding the gospel marking off a people and thereby defining his love for the world So how should

churches receive and dismiss members How should Christians view their submission to the church Are there dangers in such submission The Church and the Surprising Offense of God's Love responds with biblical theological and practical guidance from both corporate and individual perspectives It's a resource that will help pastors and their congregations upend worldly conceptions and recover a biblical understanding and practice of church authority *Restore Unity, Recover Identity, and Refine Orthopraxy* Peter L. H. Tie, 2012-01-16 Doctrine divides Not a few Christians dread doctrine especially the doctrine of the church ecclesiology that allegedly causes much confusion conflict and controversy within the church Many choose to avoid it but James Leo Garrett Jr Distinguished Professor of Theology Emeritus at Southwestern Baptist Theological Seminary is convinced that the much avoided and neglected ecclesiology is the place where the churches must begin to rediscover genuine unity identity and orthopraxy *Restore Unity Recover Identity Refine Orthopraxy* examines Garrett's biblical notion of the universal priesthood The priesthood concept properly understood in a communal sense integrates the mission membership ministry and management of the church This book is filled with intentional and direct conversations with more than twelve theologians or ecclesiologists from various Christian traditions Reformed Pentecostal Roman Catholic Mennonite Baptist and other Free Church in order to shed light on Garrett's believers' priesthood doctrine which eventually points toward a balanced biblical and baptist ecclesiology An ecclesiology rooted in the biblical priesthood does not divide and extinguish but does unite and distinguish **The Disciple's Journey** Jim Putman, 2025-03-04 Unlock Spiritual Growth with The Disciple's Journey Embark on a transformative journey of spiritual growth From the creators of the popular Real Life Discipleship resources comes a workbook designed for individual Christians seeking to integrate Jesus' message into their modern lives This comprehensive resource offers a structured pathway across five key spheres Abiding Relationship with God Church Home Family World Work Spiritual Warfare By exploring biblical principles through the lens of Ephesians this workbook provides practical insights tools and applications that ensure transformational growth Key Features include 12 week structured program for guided spiritual growth Daily sessions and self evaluation questions for deeper reflection Adaptable to individual or group study fostering community engagement Experience personal growth community engagement and fulfillment in living out your faith in every sphere of life Get started now and unlock the full potential of discipleship *Identity Matters - Advancing Life Within* Stephen Phinney, 2016-02-08 Identity Matters Advancing Life Within Workbook Conference Guide is a 13 part series course designed for a combination of individual small group online conference study guide It is a study in the personal discovery of a believer's IDENTITY in the shared co death burial resurrection ascension of and in Christ Jesus the Exchanged Life This workbook contains 80 diagrams to help communicate the freeing Truths of who the believer is in Christ Newly revised and updated to enhance your study I believe you will be blessed by the Truths contained within this workbook Consider watching the videos and listening to the audio messages at IOMAmerica.net Dr Stephen R Phinney *Discovering Your Identity in God* Fikayo Olu-Ayeni, 2017-05-08 The question Who

**Destination Heaven** Mark Nyarko, 2018-05-25 In today's post Christian culture of liberalism it is easy to lose sight of the fact that to be Christian means to be called out of the world and be set aside unto the Lord Jesus Christ As we approach the end of the age and of the world as we know it the Lord continues to give numerous heavenly visitations and dreams about him to take Christians home in what we call the rapture of the church One recurring theme in many of these supposedly spiritual experiences is the number of professing Christians that could be going to hell Well it is easy to dismiss these as figments of hallucinations and fertile imaginations gone wild But a cursory glance at the church scene clearly shows that something is not right with many of professing believers This book seeks to jolt Christians into rediscovering their first love and awake from their slumber to ensure that their lives match their profession Christianity is one of the most liberal of all religions In Christian theology it is God who takes the initiative to reconcile mankind to himself John 3:16 He made total and full provision for man to receive forgiveness of sins and come into a personal relationship with God without any expenditure or effort on his/her part In that sense Christianity is an easy religion That is the essence of grace But that could be deceptive because it is easy for the Christian adherent to fall into the false notion that grace means anything goes This Christian discipleship book attempts to wake Christians to the fact that like an athlete there is a right lifestyle and a way to compete that will guarantee you a medal at the Olympics and a wrong lifestyle and a way to compete that could lead to disqualification and a loss of potential medal Much illustration is made of the Old Testament saints who started their journey with the Lord with optimistic enthusiasm but whose faith was made shipwreck along the way This is true of the Israelites who were delivered from Egyptian bondage and servitude and journeyed to the Promised Land but the text says With most of them God was not well pleased and their bodies were scattered in the wilderness The text clearly says these experiences were written as warnings and examples to us because if we make the same mistakes they did a similar fate awaits us 1 Corinthians 10:11-13 Wisdom gives away what you cannot keep to gain what you cannot lose In our day and age the greatest snares are relational issues of unforgiveness bitterness and strife We are also warned against such moral weaknesses as fornication adultery and other aberrant sexual behavior The Bible clearly warns that those who practice these would not inherit the kingdom of God This is a major theme of most of the New Testament Epistles This book is also evangelistic because at its heart it seeks to showcase the love of God and his eternal invitation to all mankind to be reconciled to him The Grace of Christ Eric Roessing, 2016-07-29 Martin Luther and other Reformers were instruments in God's hand to recover the gospel in the Holy Scriptures Nevertheless it is an irony that along with the gospel there was still law in the sense of law as rule of life in the

teaching of the Reformers On the issue of the law even Luther was not as consistent as was Paul the apostle In The Grace of Christ the saving righteousness of God which justifies the ungodly in Christ and frees us from trusting in our righteousness is given its central place as it is in the gospel of God Rom 1 1ff At the same time the new creation in Christ is also given its rightful due Following the apostles teaching in terms of what Paul means by both justification and new creation in Christ The Grace of Christ like no other book shows that both of these realities exclude any idea of the law of Moses as the rule of life for those in Christ Paul is not an antinomian The new creation in Christ is our rule Gal 6 15 16 Roessing does not base his position on only this one text but rather shows how Paul consistently teaches this truth in many places and ways even though the flesh rejects it And Roessing is not alone in this view he is close to that of Gerhard O Forde and even closer to that of Wolfhart Pannenberg But this issue of the believers rule is just one of the aspects of grace covered in The Grace of Christ For those who want to learn something of the depth of the things freely given us by God The Grace of Christ the law in light of the Gospel sets forth those things so that the spiritually hungry will want to behold the grace of God in Christ as he is set forth in these pages and to return again for more
